MILL VALLEY CHILD HIT BY CAR

Alan Grieb, 4, son of Mr. and Mrs. A. W. Grieb of 341 East Blithedale Avenue, Mill Valley, is comforted after he ran into the street and was struck by an eastbound car near the corner of East Blithedale and Catalpa Avenue at 4:25 p.m. yesterday. The boy was in fair condition today at Marin General Hospital with abdominal injuries. Driver of the car, Fritz Gutscher, 42, of 326 Karren Way, Tiburon, was not held. Police said the boy ran in front of the car. (Photo by Larry Chandler)

Nixon Asserts Reappraisal Of Policy Needed

Says U.S. Must Not Retreat In Panama Difficulty

PHILADELPHIA (AP) — Former Vice President Richard M. Nixon, calling last night for "significant reappraisal and new direction" in some areas of U.S. foreign policy, says the United States must not retreat from its responsibilities in the Panama Canal Zone.

Nixon, in two speeches and a news conference, also said that under certain circumstances he would endorse a candidate for the Republican presidential nomination before the convention next July.

"My noncandidacy is a fact," he said.

SERIES OF TALKS

Nixon made the foreign policy speech—one of a series he plans to deliver—at a banquet honoring Printing Week and the anniversary of Benjamin Franklin's birthday. He also visited briefly with about 200 Republican women at another dinner.

"The United States' control over the zone and canal are not subject to negotiations," Nixon said. "If the United States retreats it will raise serious doubts about its bases around the world."

He said the Panama trouble "is more than an incident involving students," adding:

AN ISSUE

"There is no question that Communists in Panama were waiting for an issue. The fact that they were organized shows the problems we face in Latin America in dealing with the virus of communism and Castroism."

"We must set up a program, the ultimate objective being to bring Premier Fidel Castro (of Cuba) down."

Nixon advocated construction of a new canal through Mexico or Nicaragua. He noted that the present canal would be a prime war target.

Center Is 'Assured' For Ocean Research

"Full development of a major oceanographic research center at the former Tiburon Net Depot site is practically assured," Rep. Don H. Clausen (R-Crescent City) announced today.

Claussen, who represents the First Congressional District in Washington, gave this background on the negotiations for the research center:

The Interior Department wanted to use the net depot site for oceanographic research but were held back because the Navy would give only a five-year lease, with a clause providing for Navy "recapture" of the depot site after the five years.

Clausen asked Secretary of the Navy Paul Nitze for a longer lease and removal of the "recapture" clause.

This morning, Calusen reported he got this assurance from Kenneth E. BeLieu, assistant secretary of the Navy:

"A recent review . . . indicates that an agreement satisfactory to Interior and to the Navy can be reached which should permit its longer term utilization by the Department of Interior."

Clausen said he also learned the Navy will drop its "recapture" clause.

Clausen made the announcement as he started a 10-day tour of Marin, Napa and Sonoma counties.

Today, he was to meet with the Redwood Empire Assn. executive committee in Novato, with Eel River Water leaders in Santa Rosa and the Cloverdale Chamber of Commerce.

Tomorrow he will meet with the Novato Chamber of Commerce at a dinner meeting at the Marin Country Club in San Rafael.

Mass Rally Is Planned In Panama

PANAMA CITY (UPI)—Leftist-led university students scheduled at "patriotic mass rally" here tonight—the second in 48 hours—to suport demands that the United States agree to revise the Panama Canal Treaty.

(In Washington, Secretary of State Dean Rusk said yesterday the the United States is willing to discuss mutual problems with Panama but will not negotiate under threats of violence.)

(He said the United States still feels the trouble in Panama "can be resolved, in the absence of violence, and with the restoration of relations and discussions between the two governments.")

Advance publicity said the mass meeting at 7 p.m. (EST) would urge those present to "reject aggressor imperialism" and "show the world the Panamanian people are alert against the Yankee assassins."

Meanwhile, Panamanian foreign minister Galileo Solis and Chilean diplomat Manuel Trucco were seeking means of breaking the deadlock over resumption of diplomatic relations between Panama and the United States.

Gale Winds Pound State In North

SAN FRANCISCO (AP)—Gale winds pounded the northern California coast as the Weather Bureau forecast rain over most of Northern and Central California at times tonight and tomorrow.

Heavy snow was forecast for the mountain areas.

The Weather Bureau issued a warning to travelers in the Sierra.

The snow level probably will lower to 2,000 feet in the Siskiyou mountains and to 3,000-5,000 feet in the Sierra.

FORT WAYNE, Ind. (UPI) — More than one of every 10 children in the sixth through ninth grades of Fort Wayne public schools smoke cigarettes, an American Cancer Society study showed today.

Student Is Expelled In Scuffle At Tam

One student has been expelled and four students suspended at Tamalpais High School following a scuffle Wednesday near the school when a 17-year-old Mill Valley girl was reported to have been pushed down and "badly bruised."

All students involved, except for the Mill Valley girl, are from Marin City.

The girl, a senior, was taken to her family doctor, her mother said, after she reported she had been grabbed from behind, pulled to the ground, her face stepped on and kicked in the abdomin. The mother said her daughter was "badly bruised" but returned to school yesterday.

Sheriff's Inspector Harvey Teague, investigating the matter with school authorities, said it was reported to him that one Marin City girl bumped into the Mill Valley girl. This started the "scrimmage," he said.

Teague said that one boy had been expelled and is out of school for good. A second boy has been suspended for two weeks.

One of three girls suspended has a long record of truancy and has been on probation before, said the law enforcement officer. He added that the incident happened on Almonte Boulevard on the campus edge near the canteen.

Glenn Makes It Official He's Now In Politics

COLUMBUS, Ohio (UPI) — Astronaut John H. Glenn Jr. today announced he was a Democratic candidate for the United States Senate and pledged his full support, if elected, to President Lyndon B. Johnson's programs.

Glenn in announcing he would run from his native state threw the Democratic Party into turmoil. Its leaders were set to endorse Sen. Stephen Young for re-election at the party convention next Monday.

Glenn will meet Young in the May 5 primary and if he wins, will probably face U. S. Rep. Robert Taft Jr. in the November election. Taft is a heavy favorite to win the nomination over Ohio Secretary of State Ted W. Brown.

In Washington, Young and Taft said they would stay in the race. Young predicted he would beat Glenn in the primary. Taft said he hoped the campaign would be "conducted to give Ohioans the widest and clearest choice of men and issues."

Burglars Take $300,000 In Gems

MIAMI BEACH, Fla. (AP)—The Bayshore home of Mrs. Blanche Swift Morris was invaded last night by two armed men who reportedly escaped with jewelry valued at $300,000.

The loot included a $100,000 diamond necklace and a $92,000 ring owned by Mrs. Morris.

She is the widow of Nelson Swift Morris of the Chicago meat packing family.

Paris Ready To Recognize Peking

WASHINGTON (AP)—France has formally notified the United States that it intends to recognize Red China, authoritative sources said today.

The notification came through normal diplomatic channels. The issue was discussed by Secretary of State Dean Rusk and Herve Alphand, the French ambasador, when the later called on Rusk earlier this month.

There has been no formal reply to the French notification so far. But Rusk and his top aids in talks with Alphand made it clear the United States takes an extremely dim view of France's intended action.

Defense Check

SAN FRANCISCO (AP)—Defense Secretary Robert McNamara began a nationwide checkup today of defense installations with a view, he said, of cutting out 71,000 jobs over a three-year period.

Unification Vote Might Be On June 2

Residents of the Tamalpais High School District may be asked to vote on unification on June 2, the same time they will be voting in the state primary election.

County Schools Supt. Virgil S. Hollis said today he would favor having the election then.

An Augmented Committee on School District Organization voted 13-10 in favor of unification at a meeting Wednesday night. The proposal is expected to be endorsed by the State Board of Education, Hollis said.

IF APPROVED

If voters approve unification before Feb. 1, 1965, the district would become a reality on July 1, 1965.

It would embrace 38 schools with a total of about 17,900 pupils.

To be voted on along with unification will be seven trustees to represent all of the new district.

Incorporated in this measure will be a recommendation that the basic tax rate be no more than necessary to raise the total revenue now raised by each component district.

ALL INDEBTEDNESS

A separate measure will be the committee's recommendation that the new district assume all the bonded indebtedness of all component districts. Unification could be approved without approval of the indebtedness issue.

Getting the recommendation before the state board in time for its next meeting in Northern California, March 12-13 in Sacramento, is only a maiter of paper work, said Hollis and other school officials.

L. H. Blackmore, director of elementary education in the county schools office, said he will see if the County committee on School district Organization, will schedule an early meeting to endorse the augmented committee's recommendation. This must be done before the matter can be sent to the state board.

Next scheduled meeting of the committee is Feb. 19.

500 Evacuated At School Fire

Five hundred children were evacuated from Isabel Cook School in San Anselmo this morning when a fire broke out in a classroom supply closet.

The fire was quickly extinguished, damage confined to the closet area, and no one injured.

Custodian Kenneth Schmitz and Principal James W. Stinchcomb put out the fire in the fifth grade classroom of Mrs. Minette Woodworth.

The class pupils went to recess at 10:10 and when they returned at 10:18, smoke was pouring from the closet. Then the supplies burst into flame. Jerry Suyderhoud, a pupil, the fire alarm, emptying the school.

The San Anselmo Fire Department is investigating the cause of the fire.

Angel Island Cleanup Fund In The Works

A $100,000 clean-up and restoration job on Angel Island, first phase in the program to open up more of the state park to the public, has a fairly good chance of approval this year in Sacramento.

A spokesman for the State Division of Beaches and Parks at the State Capitol told the Independent-Journal this week that the fund for "area restoration and razing structures" at Angel Island is in the budget for 1964-65 and has a "good chance" of being approved by the State Department of Finance and the Governor.

Area restoration involves rehabilitating the water system, building roads and firebreaks, and establishing a work crew to fireproof the island. Murrell M. Gregory of Santa Rosa, acting district superintendent of beaches and parks for District 2, which includes Marin, said that fire danger is one of the main reasons why more of the park has not been opened to the public thus far.

At present, about 50 acres of the Hospital Cove area is open for public use. Cleanup and restoration of grounds is the first phase in the program to open up the rest of the island.

The second stage, estimated to cost $155,000, involves removing the old docking facilities and putting in new piers and docks at Hospital Cove, also known as Ayala Cove.

Storm Drifts In With Some Rain

A slow moving storm drifted into Marin County last night bringing up to a quarter-of-an-inch of rain with a promise of more today and tonight.

Mill Valley with .26 of an inch and Inverness with .25 reported the heaviest rainfalls.

Rainfall in other areas as of 8 a.m. was: Kent Lake, 22; Chevey Chase, .19; Tam Valley, .17; Sausalito, .15; Larkspur, .14; Point Reyes Station, .10; San Rafael, .08; Woodacre, .04; Belvedere, .03; San Anselmo, .01; Santa Venetia, .01; and Novato and Fairfax, a trace.

MERLE P. ORCHARD
"Dissatisfied" with Clausen

Orchard Announces For Congress

Ukiah Attorney Merle P. Orchard, 44, a Democrat and former district attorney of Mendocino County, yesterday announced that he will be a candidate for his party's nomination for First District congressman in the June 2 primary.

He is one of three Democrats seeking to unseat Donald H. Clausen (R-Crescent City). George McCabe, 44, of Santa Rosa, a college administrator, and Clement Vanoni, a Geyserville rancher, are also in the race.

Orchard's announcement was not a surprise. He has been speaking throughout the district for the past several months. During his travels, he said, he has been "impressed everywhere by the dissatisfaction" with Clausen.

Orchard said he stands wholehaertedly in favor of President Lyndon B. Johnson's programs to eliminate poverty, ignorance, racial minority discrimination and unemployment.

He charges that Clausen demonstrated an "equivocal position" by refusing to sign

Zanzibar Releases 2 U.S. Envoys

DAR-ES-SALAAM, Tanganyika (UPI)—Zanzibar's revolutionary government today released two U.S. diplomats arrested at gunpoint yesterday. Zanzibar radio said the man who arrested them has been supplanted as revolutionary president.

"Field Marshall" John Okello, reported to be a former Kenya Mau Mau member, broadcast over Zanzibar radio today that he has assumed the office of president of the revolutionary government of Zanzibar.

The broadcast said that Sheikh Abeid Karume, who had held the post of president since Sunday when a coup toppled the Arab-led old Zanzibar regime, had been appointed vice president.

Washington reports have said it was Karume who personally arrested Frederick P. Picard III. charge d' affairs at the U.S. Zanzibar Embassy and Embassy Third Secretary Donald K. Petterson yesterday following an angry outburst by the rebel president over what he considered distortion of events in Zanzibar by diplomats and newsmen.

Marin Population Set At 175,600

SACRAMENTO (CNS)— The California Taxpayers' Assn. estimated today that the population of Marin County at 175,600 as of Jan. 1.

This is an increase of 9,000 persons in the past year, or 5.4 per cent. Of the 50 counties which showed population gains, Marin ranked 19th in percentage gain from 1963.

The taxpayers' association estimated the state's population a 17,996,000, an increase of 633,000 or 3.6 per cent in a year.

Ventura County led the state in percentage of gain, with an increase of 31,200 persons, or 13.1 per cent.

COCKTAIL CIRCUIT FOES

President Lyndon B. Johnson and Rep. John J. Rooney (D-N.Y.), stand by a window as they talk in the president's White House office yesterday. Rooney, who through the years has fought to cut the liquor allowance of U.S. diplomats, says Johnson's order to officials to stay off the cocktail circuit sounds good to him. But Rooney points out he's no foe of cocktails—prefers martinis. (AP Wirephoto)

Arab League Agrees On Jordan River Measures

CAIRO, UAR (UPI)—The 13-nation Arab League today announced agreement on "practical decisions" for countering Israel's diversion of the Jordan River waters but gave no details of the plan.

The announcement came at the end of the five-day Arab League summit conference called by President Gamal Abdel Nasser of the United Arab Republic.

League Secretary General Abdel Khalek Hassouna read the final communique in a televised 20-minute closing session.

It said the monarchs and heads of state had decided to start an Arab plan for developing the Jordan, establish a joint military headquarters to organize Arab forces in case of an armed conflict with Israel, and to create a "Palestine entity" to spearhead the cause of the Arab refugees from what is now Israeli territory.

Delay Granted For Study On Waste Water Bay Dumping

OAKLAND (AP) — State and federal water resource officials will have another month to study plans for dumping waste water into San Francisco Bay before such proposals are formally opposed by the California Regional Water Pollution Control Board.

The board granted the 30-day delay yesterday at the request of the State Department of Water Resources and the Federal Bureau of Reclamation.

Earlier the seven member board had agreed to draft resolutions to block the discharge of assertedly polluted water into the bay. The water at issue would be drained from the state's San Luis Project and the federal San Joaquin Project.

Board Chairman Grant Burton declared at yesterday's meeting that the proposed drainage "could have disastrous effects on the economy of the bay." He noted that the board does have authority to prohibit any discharge into the bay that would result in pollution.

WORLD NEWS IN BRIEF

Kennedy, Sukarno Talks Go Well

TOKYO (AP) — Indonesian President Sukarno, in a meeting today with U.S. Atty. Gen. Robert F. Kennedy, reaffirmed his intention of seeking a peaceful solution to the Malaysian crisis.

Kennedy's press secretary, Edwin Guthman, said after the 90-minute talk that the attorney general and the president agreed the Malaysian dispute "should be solved by consultation."

A spokesman for Sukarno said the Kennedy-Sukarno meeting established a "favorable climate" for a future summit meeting of Sukarno and Philippine President Macapagal with Prime Minister Tunku Abdul Rahman of Malaysia.

Five Yanks Killed In Vietnam

SAIGON, Vietnam (AP)—Five U.S. servicemen were killed and three wounded in combat helicopter operations over the Communist-infested Mekong Delta today.

The heaviest toll was in a turbine-powered UH-1A that apparently exploded in the air in an operation 90 miles southwest of Saigon. Four were killed and three wounded.

The other American killed was a door-gunner of an H-21 troop-carrying helicopter. He was hit by a Communist bullet in another operation. He was a private first class.

The deaths brought to 99 the number of American servicemen killed in combat in South Vietnam since late 1961. U.S. service deaths from all causes now total 173.

Goldwater To Enter In Nebraska

WASHINGTON (AP)—Sen. Barry Goldwater has decided to hoist his colors in Nebraska's presidential primary and a Republican colleague said today it should be a walkaway—perhaps a one-man race.

"Goldwater is the overwhelming choice of most Nebraskans," said Sen. Roman L. Hruska, speaking of his home state. "He is philosophically in tune with our people."

Hruska added he knows of no other candidates planning to enter the Nebraska preference test. "That's real Goldwater country," he said.

X-15 Slices Air At 3,170 MPH

EDWARDS AIR FORCE BASE (AP)—An X-15 rocket plane, its tail fin honed sharp, sliced the air at 3,170 miles an hour in an attempt to determine whether sharp leading edges help or hinder at extreme speeds.

The experimental ship climbed to 70,000 feet yesterday in the second of the series of such flights. The data gathered may prove useful in designing faster-than-sound transports of the future.

Air Force Maj. Robert Rushworth was the pilot in the first flight last Nov. 7. Yesterday's slightly tougher test—faster and at a lower altitude—was by U.S. Space Agency pilot Milton Thompson.

Gas Price War

LOS ANGELES (AP) — The price of gasoline dropped as much as eight cents a gallon yesterday as price cutting spread across the Los Angeles area.

In the West San Fernando Valley, prices dipped to 23 cents at some independent stations. And a few major oil company outlets lowered their prices to 26.9 cents. Similar price cutting took place in the Burbank and Azusa areas.

Settlement Better Than Alimony

LOS ANGELES (AP)—Former schoolteacher Donna R. Ferguson, 31, has received a divorcee settlement her lawyers say is better than alimony.

She waived alimony yesterday in divorcing Robert B. Ferguson, 40, and oil geologist.

Under terms of a division of community property, each will draw $105,000 cash now and $40,000 per month. That will give both an annual income of $480,000, plus an extra $105,000 this year.

The arrangement will continue if Mrs Ferguson remarries. Alimony doesn't continue.

License Suspended

SACRAMENTO (CNS) — The State Department of Alcoholic Beverage Control has ordered a 15-day suspension of the off-sale beer and wine license of Kenneth A. and Patricia M. Crawford, 1345 Fourth Street, San Rafael, on charges of selling wine at prices below the minimum. The suspension takes effect Jan. 30.

Intoxicated Driver Given $166 Fine

Edwin Thomas Ray, 54, of 112 San Francisco Boulevard, San Anselmo, was fined $166 yesterday in Marin Municipal Court for drunken driving last Dec. 14 at Second and C streets in San Rafael.

Judge Leonard A. Thomas also ordered Ray on six months probation, to drive only for work during the next 90 days.

Housepainter Pleads Innocent To Robbery

Joseph Andrew York, 36-year-old Novato housepainter charged with the armed robbery of a San Rafael liquor store, pleaded innocent to the charge yesterday in Marin Municipal Court.

Judge Leonard A. Thomas set a preliminary hearing for 10:30 a.m. Monday. York will be represented by Asst.. Public Defender Jerome C. Durham.

New House Seal; Star Of David Out

WASHINGTON (AP) — The House of Representatives is about to remove the Star of David from its official seal and take cognizance of the statehood of Alaska and Hawaii.

A resolution passed without opposition last Dec. 18 called for an outlay of about $700 to cut the die for a new Great Seal and procure a new mechanical gadget to impress the seal on official House papers and documents.

The old seal, the House Administration Committee pointed out has been in continuous use since 1912, when it was as cut after the admission of Arizona as the 48th state. Around its edge are 48 stars —one for each state—and all are of the six-pointed variety known as the Star of David. The resolution that provided for the old seal said the stars should have six points.

The new seal will have 50 stars, the two extra ones being for Alaska and Hawaii. While the resolution didn't say how many points the stars shall have, they will have five points.

There will be another change. The old seal bore a view of the Capitol as it looked in 1830 when it was far from finished.

The new view will show the Capitol as it now looks, with its extended east front. It also will show the Statue of Freedom which tops the Capitol dome but wasn't there in 1830.

Teagarden Death From Pneumonia

NEW ORLEANS (AP) — The coroner's office says trombonist Jack Teagarden died of bronchial pneumonia.

Teagarden, 58, was found dead in his hotel room Wednesday. An autopsy was performed yesterday.

His last performances had been played at the Dream Room, a Bourbon Steet nightclub within earshot of his motel.

TENSION BOTHER YOU? TRY A 'SILENT SCREAM'

LOS ANGELES (AP)—You're stuck in a freeway traffic jam and you're 45 minutes late to work. Yelling won't help. What do you do?

Try a "silent scream." It releases tension, says Dr. Eleanor Metheny.

She demonstrated yesterday in addressing a Trojan Guild audience: You raise your fists to the level of your head, contort your face and open your mouth wide.

You'll look a little funny, but not a sound comes out.

"If you really give it all you've got, it will work off residual tensions in every muscle of the body," said Dr. Metheny, professor of physical education at the University of Southern California.

LBJ Decides A Little Gumbo Feed May Help Foreign Aid

WASHINGTON (AP) — President Lyndon B. Johnson has invited Sen. Allen Ellender to cook up some Louisiana gumbo at the White House.

While the gumbo's cooking, Johnson will mix politics with pleasure and try to stir up some votes for his foreign aid program.

The invitation came yesterday after Johnson pushed a button to lay the keel of the first highly automated ship at a New Orleans shipyard.

After his brief speech, Johnson turned to Ellender and began a discussion of farm problems and foreign aid. Ellender, Louisiana Democrat who is chairman of the Senate agriculture committee, is a frequent critic of foreign aid.

Reporters heard Johnson ask, "When are you going to cook me some of that gumbo I like?"

Ellender, a bachelor, is famous as a chef in preparing Louisiana delicacies. He said he would cook for the president anytime and anywhere Johnson desired.

"There's no better place than the White House," said Johnson. "Let's do it soon. We'll invite some other members of Congress and we can have a good long talk about foreign aid."

$17,940 Is Added To County Payroll

Marin County supervisors yesterday added $17,940 to the county payroll for the balance of the fiscal year yesterday as they concluded deliberations on mid-year salary adjustments.

The cost of the changes was about $1,000 more than the total of recommendations made by Personnel Director Robert D. Elliott when deliberations began. Elliott congratulated the board for its work yesterday and said supervisors had gone far in putting the county in better shape on personnel policy.

Sweeping changes came in the public works department and in the probation department. In each case, Elliott said, the increases would be stopgap measures.

Public Works Director Donald R. Frost claimed that he is losing junior civil engineers, who are not yet licensed by the state, to higher paying jobs in sanitary districts. He added that most engineers now will not even apply for a job in Marin County because the pay is so low.

In the case of the probation office, a general 5 per cent increase was voted for deputy probation officers, after the board was told that the department is now just a training ground for other jurisdictions.

"It's hard to recruit people with experience," commented Elliott. "It looks like the Peace Corps when we get applications. People right out of college want to work here, but we want to recruit persons with more experience and retain those we have."

In the case of the planning department, Elliott had recommended deferral until time for discussion of the 1964-65 budget in June. Planning Director Billy D. Dobbs spoke up, saying he had first recommended salary increases in 1962, and that the inequities had always been deferred for more study.

He asked for a much quicker study, and higher priority. Supervisor Peter H. Behr agreed, and the board voted to ask for a specific study of the departmen's needs by Elliott's office, with a report back to the board in 60 days.

Sleepy Hollow Group Elects

Roland L. Hauck Jr. of 133 Van Tassel Court was elected president of the Sleepy Hollow Homes Assn. at its quarterly membership meeting in the clubhouse last night.

Hauck, former vice president, succeeds Vernon F. Smith. Owen Maritt was elected vice president. George Elligeroth was re-elected treasurer. Mrs. Thekla Dechent was re-elected corresponding secretary. Mrs. Terry Hauge was elected recording secretary, succeeding Mrs. Marie Bazell.

Three new directors were elected: R. Bryant Miley, Roger Morse and Herb Brauner. They will serve with Charles Dechent and Sayles Turney, beginning the second year of their two-year terms.

Man Cuts Wrist; Taken To Napa

A young San Rafael man, who slashed his wrist with a razor blade, was taken to Marin General Hospital this morning, then transferred to Napa State Hospital.

He is Anthony Lord Deane of 180 Nadina Way, San Rafael. Officials at Marin General Hospital called the sheriff at 1:50 this morning to report that Deane would not allow himself to be treated.

Sheriff's deputies called an ambulance and had Deane sent to Napa for observation.

Optometrists Elect

Dr. Bernard Faibish of San Anselmo has been elected president of the Marin County Optometric Society for the coming year. He succeeds Dr. Shuso Kumata of Corte Madera. Other officers elected are Dr. Howard Levenson of San Rafael, president elect, and Dr. Kermit Kors of San Rafael, secretary-treasurer.

Man Jailed For Forgery In San Rafael

L. C. Brown, 26, of Vallejo, a laborer, was arrested by San Rafael police yesterday on suspicion of embezzlement and forgery.

San Rafael Police Inspector Dick Camper alleged that Brown took a car on trial from Doug Dicker Chrysler-Plymouth, 535 Francisco Boulevard, on Jan. 13, leaving his own car there.

He did not return the car, and the embezzlement charge was filed. Later, Camper said, Brown became a suspect in the forgery of 14 checks taken from Roger L. Heiser in Sausalito. Each check was made out for $111.45.

A friend of Brown's, Wade Germany, 54, also of Vallejo, has been charged with one of the forgeries, Camper said. He allegedly cashed one of the checks for Brown. Both men formerly worked for Heiser. Brown was due in court today and Germany was to appear in court at 1:30 p.m. Thursday.

Novato Chamber To Install At Dinner Meeting

Richard P. Nave will be installed president of the Greater Novato Chamber of Commerce at a dinner meeting tomorrow night at the Marin Country Club, Novato.

Ronald E. Lipe is new first vice president and Laurence J. Dervin, second vice president. Ross Tankersley is the new treasurer.

Other new board members for the year are Elmer Anderson, Victor A. Barossi, Donald F. Donahue, Clayton L. Randall, Eugene R. Trombley and Paul D. Fry.

Representative Donald H. Clausen will be the principal speaker. Hugh Turner will be master of ceremonies.

Certificates of appreciation will be given to the outgoing president, J. Wayne Womack and members William O. Berry, Wayne C. Hathaway, Al Miller, David G. Douglass, Duane L. Butler, John J. Angeloni and Paul R. Terry Jr.

Zeta Psi Ordered Off Campus By Dean At Stanford

PALO ALTO (AP) — Stanford University ordered Zeta Psi fraternity off the campus today.

Its 40 members of the national organization were told to evacuate their university house this weekend. Its 600 alumni were informed Zeta Psi, organized on the campus in 1891 as the first of Stanford's 24 fraternities, would be suspended until July 1, 1966.

The order from Dean of Students H. Donald Winbigler climaxed a series of incidents including a raid on another fraternity, discovery of a small arsenal in the house and several hundred dollars worth of furniture taken from the university's International House.

The dean said the series of troubles the fraternity has encountered and its failure to meet prior warnings demonstrated it "cannot manage itself in a mature manner."

Thefts From Car Reported

Theft of a $200 stereophonic machine from a automobile parked at 530 Canal Street in San Rafael was reported to police yesterday by Ralph Kendall Forsyth of that address.

He said his convertible was entered by slashing the top.

Patricia Yeo, Sonoma, also reported to police the theft of four tail lights from her car, parked yesterday at Fifth Avenue and A Street. Value was estimated at $72 total.

Math Text Is Discussed

Members of the Fairfax School Board met with the members of the Manor School Parent-Teacher Assn. last night to discuss new mathematics textbooks adopted by the state.

It was the first in a series of curriculum discussions scheduled by the board.

Thomas Kelly, principal at Fairfax Central School and mathematics coordinator for the district, presented the books.

ANTIQUES IN SUPERIOR COURT

Assistant Dist. Atty. Bruce B. Bales displays some of the antiques, which he claims were stolen from various homes in Stinson Beach. They were found in the home of James M. Liberman, 35, of Stinson Beach. Liberman, arrested last June, is on trial on a charge of receiving stolen goods. A jury of six men and six women heard final arguments today before Judge N. Charles Brusatori and were to deliberate this afternoon. Liberman maintains he bought the items, including a ship's lantern, whale oil lamp, and brass candelabra, and had no idea they were stolen. Disarm Conference Optimism Seen

GENEVA (UPI) — The 17-nation disarmament conference resumes here next Tuesday in an atmosphere of guarded optimism that progress can be made — at least on fringe measures.

Western negotiators are hoping the Russians will return to the bargaining table in the spirit of give-and-take that produced the Moscow partial nuclear test ban treaty last August.

The conference was recessed four months ago while the disarmament debates were conducted at the United Nations in New York. The U.N. General Assembly made no concrete progress on the issue. It merely called on the conference to resume negotiations with emphasis on finding more areas where agreement is possible pending ultimate accord on complete disarmament.

The most likely areas for possible agreement include measures to reduce the risk of surprise attack and to prevent the spread of nuclear weapons.

Disarmament delegations here have been talking about pushing hard for minor tension-reducing agreements that could serve as stepping stones to larger accomplishments.

President Lyndon B. Johnson said on Jan. 10 the United States had been encouraged by developments of the recent past and was returning to Geneva prepared to seek "new opportunities in this nation's search for agreement on sound and significant arms limitation and reduction measures."

Besides the Moscow treaty which bans nuclear tests in the atmosphere, in outer space and under water, recent developments include the "hot line" communications link between Moscow and Washington to decrease the risk of war by accident, and the Oct. 17 U.N. resolution to ban weapons of mass destruction from outer space.

Britain said this week some good may come of the resumed conference if the Moscow treaty means the Russians are willing to discuss disarmament problems, including verification, realistically. A foreign office statement warned, however, that general disarmament could remain an "elusive deal" so long as East and West are in conflict over major political issues like Berlin.

France will continue to boycott the negotiations as it has since they opened under U.N. auspices in March, 1962. French President Charles De Gaulle believes that such a big committee can only produce a propaganda circus and that only the four nuclear powers—France, Britain, the United States and Russia — can create genuine disarmament.

As in the past, underground nuclear testing is the crucial issue, with verification the key to a solution. The West says at least seven annual on-site inspections are necessary to make an underground ban foolproof, but the Russians will permit no more than three on Soviet soil.

There are differences on other technical details also.

Supervisors Struggle On Redistricting

By ROBERT COPPOCK

An hour of talking came to nought yesterday as the Marin County Board of Supervisors again struggled over the question of boundary changes in supervisorial districts.

Supervisor William D. Fusselman did not show up for the special session on the subject, and it quickly became clear that with Supervisor George H. Ludy acting as a holdout, there was no chance of gaining the necessary four votes for a change.

The board must act on the question before Feb. 2 for changes to become effective by the June primary. The boundaries have not been changed since 1884. Today population differentials range from 1.7 per cent in Ludy's district to 32 per cent in Fusselman's.

In yesterday's meeting, both Supervisor Peter H. Behr and Byron W. Leydecker pushed a suggestion that Ludy, who now represents the western part of the county, should also take Fairfax within his district.

Ludy answered he might be willing to accept San Geronimo Valley and Bolinas, but did not think the district boundaries should include anything beyond White Hill.

"This whole thing needs a lot more study," Ludy said. "Once the board gets off its duff and co-operates with the department of public works to get some decent roads to my area a population explosion will occur in my area."

"We're derelict in our responsibilities if we don't act, rather than talk," commented Behr. "Four of five supervisors are standing for election, and it seems irresponsible if we fail to act voluntarily where we know we can be required to act through a court order.

"I don't want to be associated with a group which can be castigated and justly, for failing to carry out its responsibility," Behr said.

"I'm utterly frustrated by the fact we don't seem to be able to get five people here when we talk about redistricting," said Leydecker. "We've got to move and move rapidly."

"I want to abide by the laws and the rules. I think we should take some action," said Chairman William A. Gnoss.

With the addition of Fairfax to the West Marin district, Behr said, there would begin to be a situation where the county probably would not be faced with a taxpayer's suit.

Leydecker added that the addition of Fairfax would be a way to add many people to Ludy's district without adding much territory, since Ludy had complained his district was already the largest in area in the county.

Ludy repeated he would be willing to accept the San Geronimo Valley, now represented by Gnoss, who lives in Novato. Behr answered that the only reason that area is important at all is to allow the district to reach Fairfax.

"Wouldn't you like just one little old city?" Behr asked.

"How about Mill Valley?" answered Ludy.

Behr said he didn't think he could spare Mill Valley.

The discussion never came to a vote, but was continued to Tuesday afternoon, in the hopes that all members of the board will be present.

New Generation, New Loyalty

NEW YORK (AP) — "Times have changed," says Chief One Arrow, a 67-year-old Cherokee who heads the United Assn. of American Indians.

The chief, a Brooklyn resident whose name for social security purposes is Jules Haywood, explains:

"You ought to see our little Indians at a cowboys-and-Indians movie. Every blessed one is rooting for the cowboys."

Boeing! And Out Comes Water

SEATTLE (UPI) — Researchers at The Boeing Company here are producing water from ordinary rocks in an attempt to solve the drinking water problem that exists on the moon.

Experimental equipment has been built which heats crushed rock, reduces it to rubble and in the process produces about three per cent of its weight in water.

TAM

Continued from page 1

Blackmore, Hollis and Earl G. Marshall, chairman of the organization committee, all said they want the meeting of the state board as close to Marin as possible. This will enable all interested persons from the county to attend.

Hollis said that if for any reason the Tam issue could not be combined with the June primary he would favor holding a special election between middle and late September.

"I am very pleased that the election is going to be held," Hollis said. "This way it can be resolved by the people and we can get back to the major job of educating the youngsters."

"Fragmenting Tam District would never get by the state board," added Hollis, referring to alternate proposals considered by the county committee to piecemeal Tam out of various elementary districts in its three-high-school attendance area.

The state board only would have "sent back" to the county any such alternate, said Hollis. He added he was not taking a stand for or against unification and "my office is always open to persons of any viewpoint who need information on such matters as these."

Young Hallinan's Case Is Settled

Patrick Hallinan, lawyer son of attorney Vincent Hallinan of Belvedere, was cleared today of contempt of court charges rising from an angry exchange last week with San Francisco Municipal Judge Bernard Glickfeld.

Glickfeld had fined Patrick $100 and said he would go to jail if did not pay it. Today, the elder Hallinan appeared to argue his son's case before Judge Harry J. Neubarth.

As Hallinan senior rose to speak, Neubarth said Glickfeld had sent a note reading "I vacate my order of Jan. 8."

the discharge petition to force the civil rights bill out of committee for floor debate.

"All in all, the people feel that the incumbent has not measured up to the position he holds," Orchard said.

Orchard is a graduate of Stanford University and Stanford University Law School. In private practice since his last of two terms as Mendocino County district attorney, he serves as counsel for the Mendocino County Russian River Flood Control and Water Conservation District.

He was Mendocino campaign manager for the late President John F. Kennedy in 1960, was county finance chairman for Gov. Edmund G. Brown's campaign in 1962 and is a member of the Mendocino County Democratic Central Committee.

Orchard served four years in the Army during World War II and retired from the Army Reserves as a captain in 1955. He and his wife, Ruth, have three children, Ann, 12, David, 11, and Janet, 9.

Sausalito Works On Summer Rec

Sausalito recreation commissioners last night worked out further plans for the city's summer recreation program to be given June 29 to Aug. 20.

Commissioner James E. Muldoon said the program will be handled by a Parent-Teacher Assn. committee, with 20 volunteers. Two adults will be hired to run the program. Supervision will be under the commission and the hours, Muldoon said, are expected to be from noon to 4 p.m.

Rich Urbais, Lion's Club president, presented a plan for the Harrison Street park which the commission postponed final approval for further study.

OBITUARIES

Oliver W. Rowell Dies At 53

Oliver W. Rowell, 53, of 60 Elm Avenue, San Anselmo, a steam fitter at the Air Force station atop Mount Tamalpais, died unexpectedly of a heart attack at his home yesterday.

Rowell was found slumped next to his car in his garage by a neighbor, Al Davis, at 8 a.m.

A native of Fresno, he had been a resident of Marin County for 26 years, living in Larkspur before moving to San Anselmo. He was a member of the Fairfax Masonic Lodge and a Chief of the Universal Craftsmen Council of Engineers Inc. San Francisco Council 45.

Surviving are his foster mother, Miss Gertrude O. Miller of San Anselmo, and two sisters, Mrs. Sadie Meyer of New York and Mrs. Olie Zak of San Francisco.

Funeral services will be held at the Chapel of the Hills, San Anselmo, at 11 a.m. Monday under the auspices of Fairfax Masonic Lodge 556. Interment will be at Mount Tamalpais Cemetery.

Memorial services will be held at 2:30 p.m. Sunday at the Chapel of the Hills.

Fire Station Money Asked

San Rafael Fire Commission yesterday voted to request the city council to appropriate $35,000 from this year's general reserve funds for apparatus and equipment for a No. 4 fire station on Bellam Boulevard.

Under the proposed schedule the bids would be opened Feb. 17 and awarded March 2.

Construction of the new station is scheduled to start this spring.

The commission also instructed Fire Chief Vance Trivett to install a hydrant at Union and Mission Streets, and granted Fireman Irving Levenson six months leave without pay because of illness.

Want To Annex

Directors of the Marinwood Community Services District last night voted to ask annexation of 10 acres of district property, including the bulk of the community center and park site, to the Las Gallinas Valley Sanitary District.

Car Window Smashed

Vandals smashed the rear window of a car parked in Tiburon yesterday, Deputy Sheriff William N. McKillop reported today. Carol W. Meckler of 28 Marinero Circle, apartment 16, went to her car yesterday morning and found the rear window had been shattered.

BRADFORD FENNER

Bradford L. Fenner, 90 a resident of Marin County since 1952, died yesterday in a local hospital following a lengthy illness.

He resided at 50 Fairway Drive in San Rafael, moving there recently from 32 Chanticleer Avenue, Larkspur. Fenner was retired after being manager of Stanford Motor Co., Palo Alto, for over 20 years.

A native of Iowa, he came to California in 1920.

Survivors are the wife, Maria; two daughters, Mrs. Beatrice Trusdale, Santa Barbara, and Mrs. Wilma Wright, Fresno. Graveside services will be at 10 a.m. Monday at Alta Mesa Cemetery in Palo Alto.

Roller and Hapgood Mortuary in Palo Alto is in charge of arrangements.

Nice day for a dryer.

But then again, so is *every* day. Because in addition to letting you dry the wash day or night—in any weather—a dryer dries better than anything under the sun. For example, with new damp dry settings, clothes come out just right for ironing. And some things need no ironing at all. Clothes also come out as clean as they went in. No clothesline marks, dust or dirt. Dryers also have a real soft touch. All your laundry comes out light and fluffy.

So far we haven't even mentioned how much work a dryer saves. But it will save you lugging two tons of wet wash a year.

WOMAN HONORED FOR SAVING TREES

Hub Widow Gives $100,000 Redwood Grove; REA President Outlines Plans For Year

A San Anselmo widow who gave $100,000 to save a famous redwood grove was honored today by the Redwood Empire Assn. meeting in Novato.

Mrs. W. W. Stout, 158 Prospect Avenue, was commended by the gift of a redwood plaque commemorating her gift which resulted in Lane's Redwood Flat being taken into the state park system. The grove consists of more than 400 acres of virgin trees beside Highway 101 in northern Mendocino County.

The plaque was given to Mrs. Stout by REA President Robert A. Trombetta of Santa Rosa at a luncheon in the Tomahawk Lodge which was attended by more than 150 civic and business leaders of Marin County.

At an executive board meeting of the association prior to the luncheon Trombetta outlined his goals for the coming year. They included adoption of beaches and parks priorities by the Redwood Empire counties for presentation to the state park commission. The counties for many years have used this system in requesting state highway funds.

Trombetta also urged counties to take the lead in restricting roadside zones against offensive billboards "to protect scenic values."

A report by REA General Manager Carney Campion of San Rafael, noted the organization now has 544 members an increase of almost 100 in the past quarter.

Redwood High Students Elect Class Officers

John A. Kaufman, son of Mr. and Mrs. Mozart Kaufman of 303 Evergreen Avenue, Kentfield, was elected president of the senior class at Redwood High School in class elections held yesterday.

Brown Announces Vet Fund Plan

SACRAMENTO (CNS)—Gov. Edmund G. Brown said he will ask the 1964 legislature to effect a 3.7-million-dollar "paper savings" to the general fund by requiring the veterans farm and home building fund to bear costs of the veterans education assistance program, rather than the general fund.

Brown said an estimated 10,000 widows and children of veterans benefit from the education program.

"At a time of increasingly heavy demands on the general fund and at a time when the veterans farm and home building fund is experiencing consistent surpluses, fiscal prudence dictates that this transfer be made," Brown said.

Marinites Flying To Teagarden's Funeral

Cornetist-bandleader Muggsy Spanier of Sausalito and pianist Ralph Sutton of Lagunitas will fly to New Orleans Sunday for the funeral of trombonist-singer Jack Teagarden, Sutton announced today.

Spanier and Teagarden had been friends nearly 40 years. Sutton had played in 1941 and 1947 in bands led by Teagarden, who was found dead Wednesday in a New Orleans hotel room. The funeral will be Monday or Tuesday, said Sutton.

Mill Valley Street Damage Causes Suit

Construction by San Rafael contractor Charles D. Kuhn resulted in $14,739 damage to a Mill Valley street, the City of Mill Valley charged in a lawsuit filed yesterday in Marin Superior Court.

The city alleges that residential construction at 201 and 209 Marion Avenue last February caused the street pavement to sink, requiring repairs costing $14,739.

'Overdose Of Pills'

Novato police said Mrs. Mary Helen Speak, 28, of 1036 Sixth Street, Novato, was treated at Novato Hospital yesterday after apparently swallowing an overdose of pills. Police said her husband Thomas Speak, 29, made a report when he returned home from work at 5 p.m.

Bass feed almost constantly, but early morning and evening hours are usually considered the best times for angling.

State Sales Tax Collection Up In County

Comparing the state sales tax collections from the last three months of 1962 with the last three month of last year shows an increase of 20.1 per cent in Marin County's retail business.

Figures released today by the State Board of Equalization showed an increase in trade for all county communities except Belvedere which showed a drop of 51.4 per cent and San Anselmo which showed a drop of 4.4 per cent.

The state board's figures gave the amount of state collected sales tax returned to cities and counties during the two quarters.

San Rafael received $248,725, up 16 per cent in a year; Corte Madera, $44,679, up 34.5 per cent; Fairfax, $14,332, up 15.3 per cent; Larkspur, $13,838, up 14 per cent; Mill Valley, $43,265, up 22.1 per cent; Novato, $35,180, up 33 per cent; Ross, $1,267, up 16.6 per cent and Sausalito, $44,274, up 27.4 per cent.

Daughter-In-Law Sues For $8,756

Irish coffee house owner Frank (Spec) McAuliffe of Lagunitas is being sued for $8,756, which his daughter-in-law says she loaned him for the operation of a San Rafael bar.

The lawsuit, filed yesterday in Marin Superior Court, alleges that Rosemarie McAuliffe, wife of the late Frank McAuliffe Jr., loaned the money for the operation of Spec's Famous Irish Coffee in San Rafael, a bar undertaken by her husband and father-in-law.

She states in the suit that the senior McAuliffe has refused to pay back the money since the death of her husband Sept. 29, 1962. McAuliffe is owner of The Lodge in Forest Knolls, which specializes in Irish coffee.

Marinite Named By Brown For Designer Unit

Edward Hageman Jr., 47, of 310 Hidden Valley Lane, San Anselmo, was named today by Gov. Edmund G. Brown to serve on the newly formed Designers's Qualifications Advisory Committee.

The six-man committee, created by the 1963 legislature, will advise the State Board of Architectural Examiners on standards of performance necessary for licensing as a building designer.

Hageman, a designer with Edward Hageman Associates, San Rafael, is a Republican. One other appointee is a Republican, the other four are Democrats.

Twin City Troupers To Present Musical

The Twin City Troupers, sponsored by the Larkspur-Corte Madera Joint Recreation Commission, will present a musical melodrama, "The Fireman's Flame," as their first 1964 offering at Henry C. Hall School in Larkspur on the weekends of Feb. 28 and 29 and March 6, 7, 13 and 14.

Ernest Widlund and Caroline Barto, who last appeared in the troupers' production of "Our Town," have two of the leading roles in the new production, said director Ralph White today.

FBI Is Praised In Sinatra Case

LOS ANGELES (AP) — Atty. Gen. Stanley Mosk, complimenting the FBI in its handling of the Frank Sinatra Jr. kidnaping, says agents were right in not discussing the case with news media.

Said Mosk yesterday:

"In view of the frequent criticism of prosecutors and law enforcement agencies that discuss pending cases through media of communication, the refusal of the bureau to do so in this instance is commendable."

Mosk said complaints by Police Chief William Parker that the FBI failed to cooperate with his department "deserves serious consideration."

Actress To Appear As Guest On KTIM

Elizabeth Huddle, leading lady in the San Francisco Actor's Workshop production of the "Caucasian Chalk Circle," will be the guest of Radio KTIM's Karl Barron at 11 o'clock tomorrow.

Miss Huddle, highly praised for her portrayal of Grusha in the Berthold Brecht drama, has been heard on Saturday At Barron's Place in taped interviews made at the Oregon Shakespeare Festival in Ashland. This will be her first "live" appearance.

Harrison is charged with assault against a San Francisco advertising man last Dec. 14 outside a Tiburon bar. His attorney, William O. Weissich of San Rafael, requested the continuance yesterday from Judge Leonard A. Thomas.

Jerry Lewis Sued For $1 Million

LOS ANGELES (AP)—Comedian Jerry Lewis has been sued for 1 million dollars by a writer accusing him of slander and libel.

The writer, Lor-Ann Land, contended in the suit filed in Superior Court at Los Angeles that Lewis made slanderous statements which appeared in Hedda Hopper's syndicated column Jan. 29, 1963.

Miss Land claimed Lewis told Miss Hopper she had sued him many times. She said she has sued him only once, last Jan. 21 on charges of plagarism and breach of contract.

Pacific Telephone Co. Marin History:

In 1882, Iverson's Wood and Coal Yard at E and 2nd Streets in San Rafael, advertised in a local paper that it "Had direct Telephonic connection with Gieske's Grocery at B and 2nd Streets." Those were among the first telephones in Marin County.

Two years later the county could boast of exchange telephone service emanating from a tiny primitive switchboard in San Rafael's Opera House Block.

Despite this progress, telephone growth in Marin County was unimpressive at first. Three years after its founding the exchange had only 18 phones in service.

The intervening years have changed all that. Eighty years and some 87,000 telephones later, the local telephone company plays an important role in the daily conduct of business as well as contributing substantially to the local economy.

The total number of telephones today represents an increase of 38 per cent in the last five years. To provide for this growth, and to maintain existing service, Pacific Telephone has spent about 14 million dollars in new construction in the county since 1958.

Add to this the Company's contribution to the local economy in the form of payrolls and taxes. Pacific Telephone has more than 500 employees working in the county. They take home pay checks totalling more than 3 million dollars each year. Many other telephone employees who work elsewhere but live in the county swell this total considerably.

In property taxes, the Telephone Company pays out $1.2 million dollars each year, a figure double what it paid five years ago.

All indications are that the succeeding years will set even more impressive records. The changes in telephone service will also be fantastic. Eighty years ago a Marin County telephone customer could only call 18 phones. Today, he can reach 88 million phones in this country and other millions overseas.

There is no telling what the telephone service will be 80 years from now but whatever it is the Telephone Company will be ready to provide it for its Marin County Customers.

Accidental Death Payments Increase

NEW YORK (UPI) — American families received about 81 million dollars in 1963 in accidental death payments under double indemnity and similar provisions of life insurance policies, according to estimates by the Institute of Life Insurance.

This is an increase of about 8 million dollars over 1962.

In 1935 a helium-filled balloon reached a height of 13.71 miles, a record for manned flight that endured for 21 years.

Heavy Trading Marks End Of Market Week

NEW YORK (AP) — The stock market closed mixed today in heavy trading.

Volume for the day was estimated at 5.9 million share compared with 6.21 million yesterday.

Gains and losses of most key stocks were from fractions to about a point.

Aluminums continued higher on price boost news and cigar manufacturers resumed their uptrend in view of the mild verdict on cigars in the government report on smoking.

Alcoa advanced more than a point, Aluminum Ltd. about a point and Reynolds metals a fraction.

Bayuk Cigars spurted nearly 3 points, D.W.G. Cigar about a point.

Consolidated Cigar was ahead nearly a point while General Cigar dipped on profit taking.

Xerox made a bid as the most active issue, rising more than a point.

A 8-point rebound by IBM faded to about 5.

Most cigarette stocks continued to decline.

American Telephone touched another historic high, rising more than a point.

Prices on the American Stock Exchange were mixed in fairly active trading.

Corporate bonds were mixed but U. S. government bonds edged higher.

More Spent For Hi Fi

YONKERS, N.Y. (UPI) — The American public wants quality merchandise — and is willing to pay for it.

That's the conclusion drawn from a recent survey conducted by Pilot Radio Corporation to determine the public's buying attitudes toward home entertainment equipment.

Among those queried who did not own high fidelity sets, the company found more than half expected to spend from $800 to $1,200 when the time came to buy.

This compares to the average consumer outlay of about $250 for such equipment five years ago.

Office Lighting Vastly Stepped Up

NEW YORK (UPI) — The well-lighted office today provides a level of light equal to an average of five footcandles before the fluorescent tube was perfected in 1935.

In the future, the fluorescent lamp may be supplanted by walls and ceilings that give off light.

Women Lead When It Comes To Trademarks

NEW YORK (UPI)—The average woman shopper sees about 3,000 trademarks a day, according to Dixon & Parcels Associates, Inc., a New York industrial design firm.

In contrast, a man sees only around 1,600 trademarks in the course of his day's work in an urban area.

Cash Dividends

LOS ANGELES—The board of directors of Macco Corp. of Paramount have announced declaration of the regular quarterly cash dividend of 15 cents per share, payable Jan. 31 to shareholders of record of Jan. 21 on the 1,191,490 shares of common stock outstanding.

MODEL HOMES TO BE SHOWN

Furnished model houses on Semeyer Drive, Terra Linda Oaks, will be open for inspection Sunday by Kenney Family Homes. The firm has built previously in San Rafael Meadows and in Novato. The new development is located off Nova Albion Way near the Northgate Shopping Center. Models will be open from 10 a.m.

RE-ELECTED—J. B. Rice of 60 Bogey Lane, Novato, was re-elected president of the California State Automobile Assn. during the annual meeting of the group in San Francisco yesterday. He is president of the J. B. Rice Co., a wholesale hardware and building materials firm in San Rafael. He is a director of the Redwood Empire Assn.

New Oldsmobiles Sales Increase

LANSING, Mich. — In the first selling period of the new year Oldsmobile dealers delivered more new cars to their customers than in any similar period in the division's history, it has been announced by Emmett P. Feely, Oldsmobile general sales manager.

"Sales of 13,780 new Oldsmobiles during Jan. 1-10 surpassed the previous such period record established in 1956 by more than eight per cent," Feely said.

Feely also reported that estimated sales for Jan. 1-10 included 3,845 F-85s and 9,935 full-size Oldsmobiles.

To Assist Pilots

REDWOOD CITY — Ampex Corp. has been awarded a $1,879,620 contract from the Navy for closed circuit television recording systems to assist pilots with landings aboard aircraft carriers and at land based training installations, it was announced today.

U.S. Foreign Aid Won't Slow Down For Awhile

By SAM DAWSON

NEW YORK (AP)—The one-third cut that Congress made in the administration's proposed foreign aid program may hamper some future spending. But for the near term the money should roll out in about the same volume as if Congress hadn't wielded the paring knife.

The fight this year will be more than ever over the principles involved in economic aid and the effects on the American and world economies, first of the outflow of U.S. dollars, and second of the uses other lands make of it.

The administration had asked 4.5 billion dollars in new money for foreign aid, military and economic, and Congress cut this to 3 billion dollars. This slice was the largest percentage in the history of the postwar program.

But the dispensers have 400 million dollars still unobligated from the 1963 fiscal year appropriation of 3.9 billion dollars. Also some 7 billion dollars already obligated for specific programs but still unspent is available.

The more critical effect of the congressional vote may lie in its imposing new conditions on what money can be given to specific countries.

The debate which is sure to come up this year may go farther along those lines but also include moves to switch more of the help for developing countries from U.S. government funds to private investment.

How such help is now distributed is discussed by the Morgan Guaranty Trust Co. of New York in its January survey.

Total government and private flow of straight economic aid from the industrialized world to the less developed lands in 1961 is put at 9.1 billion dollars, with 4.5 billion of that coming from the United States.

The American contribution included 1.5 billion dollars of government economic aid; 886 million dollars in farm surpluses either given away or sold for soft, inconvertible currencies; 285 million dollars in contributions to international agencies and 852 million dollars in loans of the Export-Import Bank.

In the government aid sector much of the debate will center on the impact of such U.S. aid spending on the balance of payments. For several years an average of three billion more dollars have flowed out of the country each year than have come back in international trade and financial dealings.

Automation To Niagara

NEW YORK (UPI) — Automation has come to that scenic wonder — and valuable source of hydro-electric power — Niagara Falls, N.Y.

Faced with the dual problem of obtaining the most efficient use of a two-plant generating complex and at the same time staying within the permissible water diversion rate from the erratic Niagara River, the state Power Authority has installed a digital computer system (manufactured by Leeds & Northrup Co.), which automatically regulates Niagara Project generation in response to power system needs and determines the number of units to be operated at the two plants to maintain allowable water diversion rates.

TAX FACTS

When Your Income Isn't Taxable

By P. J. WIKEL, C.P.A.

All income is taxable income except:

Accident and health insurance proceeds, casualty insurance proceeds, disability and death payments, Federal Employees' Compensation Act payments, gifts, bequests, and inheritances, interest on tax free securities, life insurance proceeds, meals and lodging, cost-of-living allowances paid to U.S. employees stationed outside of the United States, Military allowances, mustering-out pay, Payments to beneficiary of deceased employee, payments to dependents of military personnel.

P. J. Wikel

Railroad Retirement Act pensions, rental allowance of clergyman, scholarship and fellowship grants, sickness and injury payments, Social Security payments, unemployment compensation, veterans' benefits, workmen's compensation.

The above may, however, under certain circumstances, be taxable. Therefore, you should consult your tax advisor early or purchase the book, "Your Federal Income Tax, 1964 Edition," for 40 cents from the District Director of Internal Revenue, or from the U. S. Government Printing Office, Washington 25, D. C.

American Motors Assembly Lines To Shut Down 5 Days

DETROIT (UPI) — American Motors Corp.'s assembly lines will shut down for one week later this month and reopen at a lower production rate with 2,900 fewer workers despite record sales of 1964 model cars.

That was the seemingly contradictory statement released yesterday by AMC. The statement opened noting Rambler American sales were up 42 per cent for the 1964 model year.

However, the bumper sales of the smallest of the three Ramblers made "has unbalanced American Motors production model-mix and field stocks," the company said.

AMC plans to close most operations at Kenosha and Milwaukee for five working days beginning Jan. 27.

Bite Is Deeper

NEW YORK (UPI) — State and local taxes in 1962 averaged $223 for each person in the United States, an increase of more than 66 per cent since 1953, according to the National Industrial Conference Board.

Mental Plan Objections Worked Out

Objections to the proposed budget to start Marin County's mental health program on its way were resolved or overriden in an informal meeting of the Mental Health Advisory Committee last night in the office of County Administrator Alan Bruce.

Committee member Dr. Paul Kingsley had sent a letter to Bruce asking that the proposed budget include more services to be started this fiscal year, with the hope that more state aid can be gained quicker.

Bruce replied that the hope was to do as little as possible until the fulltime head of the proposed new department is hired. He said he wanted this man, who would be a psychiatrist, to be free to shape his own program, rather than being tied down with something he might not like.

Dr. Donald Brown, the new regional representative for the State Department of Mental Hygiene, sat in on the meeting and backed Bruce up on the point.

Bruce was also supported by Supervisor Byron W. Leydecker and Rev. C. M. Croughan, other committee members, in changing Kingsley's mind.

The supervisors are expected to consider the advisory board's proposals at a special meeting at 8 p.m. Monday at the Civic Center. The board has already budgeted $10,000 to get the program underway this year.

Under the program, the county would receive financial support of 50 per cent in some programs and 75 per cent in others from the state's Short-Doyle mental health program.

2 Tamalpais Firemen Get Pay Raises

Tamalpais Fire Protection District commissioners last night authorized a raise in salaries for two firemen effective Feb. 1 and for four others on completion of their respective probation periods.

Richard Oswald, who has been named captain, will be raised from $470 to $506 per per month and Henry Braun, who has been named Lieutenant, will be raised from $470 to $483 per month. Their titles are given under a six-month probationary period, said Fire Chief Herbert Owen.

The department's remaining four firemen will be raised from $440 to $461 on completion of probation periods which range from six months to one year.

The commission discussed possible site acquisition for a third firehouse but took no action. Owen said the firehouse might be in the area of Shoreline Highway near Muir Meadows. The commissioners also spoke of building possiblities at Station One, Tamalpais Valley, and said they thought it practical to let Station One remain as the main station since it is close to the business district.

Cars Looted

Mrs. Nancy Losin reported to Mill Valley police yesterday morning that both she and her husband's cars, unlocked at their home at 9 Elma Street, were ransacked over the night and registration papers, maps and gloves stolen from Losin's Ford. Nothing was reported taken from Mrs. Losin's vehicle.

San Rafael High School

Senior Girl Tomorrow's Homemaker

Pamela J. St. Johnson, 17, senior at San Rafael High School, has been awarded a "Homemaker of Tomorrow" pin for highest score in a Dec. 3 Betty Crocker Homemaker of Tomorrow contest. She is now eligible for state finals offering a $1,500 scholarship.

Daughter of Mr. and Mrs. David R. St. Johnson, 116 Eye Street, San Rafael, Pamela has twice been a member of the school's Student Congress and has worked for the school's yearbook, Searchlight.

State homemaker winners go to national contests offering an additional $3,500 scholarship.

Two Women Hurt In Auto Crashes On Wet Roads

Two Marin County women were treated for minor injuries suffered yesterday in traffic accidents blamed by the California Highway Patrol on wet pavements.

Mrs. Caroline Russell Littman, 36, of 100 Rolling Hills Road, Tiburon, went off the road while driving west on Trestle Glen Road, 200 feet east of Tiburon Boulevard, at 2:40 p.m.

The car skidded, hit a dirt bank and overturned, according to the Highway Patrol.

Joanne Swallow Rowe, 30, of 204 East Blithedale Avenue, Mill Valley, was driving west on Shoreline Highway near the Fireside Inn when her car skidded broadside into a power pole at 11:45 p.m.

She was cited by the Highway Patrol for having slick, unsafe rear tires on her car.

Keep Bay Model In Operation, ABAG Urges

The Executive Committee of the Assn. of Bay Area Governments yesterday affirmed its belief that the Army Engineers' San Francisco Bay Model at Sausalito should remain in operation.

Committee members met at the model, which is scheduled to be closed in June.

Mayor John F. McInnis of San Rafael association vice president, said the association will urge members to request legislators to keep the model in operation.

"With problems such as bay filling, we don't feel it can be closed down," he said.

ABAG will have a discussion in Berkeley Feb. 6 on the proposed moratorium on filling of the bay, McInnis said.

Teak, an extremely durable timber, has been used in India for 2,000 or more years. Pieces of teak beams 1,000 years old have been found there in a good state of preservation.

Sanitation Contract Let For Novato

The Novato Sanitary District board last night awarded a $138,900 contract to C. Norman Peterson Co. of Berkeley to expand the Novato treatment plant, but the bid had a $45,545 mistake and should have been $184,445.

The board must now wait until an adjourned meeting on Jan. 30 to see if Peterson can prove the mistake or whether the contract should go to the next lowest bidder, said Charles Joseph, engineer-manager of the district.

Peterson was the lowest out of nine bidders to install additions to double the capacity of the plant, said Joseph.

There was a $51,075 difference between Peterson's bid and the next low bid of $189,975 of Granite Construction Co. of Watsonville, according to Joseph. The high bidder was Leedham and Munz Construction Co. of Sacramento with a bid of $223,024.

"There is a clause in the contract that if there is a mistake, it can be rectified," Joseph stated. He said that this has been tested in several court cases.

The engineer's estimate on the cost of the additions was $150,000.

A $2,168.40 contract was awarded to Nave's Garage for a Dodge Dart station wagon. The firm was lowest of three bidders.

The board annexed the nine acre Gnoss subdivision on Olive Avenue.

The board meeting was changed from the district offices to the offices in the corporation yard of Western California Telephone Co. next door at 501 Davidson Street.

Parking District Planned

The Novato Downtown Improvement Assn. last night made plans to start a parking district for downtown Novato.

"We are getting estimates on the cost of making a traffic survey, projected parking needs and outlining a parking district," said Joseph W. Wright, president.

D. Jackson Faustman of Sacramento has given the association an estimate of $4,000 to make such a survey and plans for a parking district, he said.

"Now we must see if we can raise the money for the survey," Wright stated.

The survey would include a review of the existing conditions of traffic and parking. It would estimate parking needs and give an analysis of various methods of financing these. One of these would be a parking district. The report would suggest the boundaries for such a district and estimate the cost to individual property owners in the district.

Fire Unit Meeting

Tiburon Fire Protection District commissioners will hold a special meeting at 11 a.m. tomorrow at the firehouse to make part payment to the contractor and architect for the new addition to the main firehouse. Commissioners will also discuss purchase of new office furniture for the addition, Fire Chief Frank J. Buscher said.

Police Want To Quiz Man Over Checks

San Rafael and San Anselmo police want to question a 35-year-old man arrested in San Diego last week after an alleged cross-county spree of cashing worthless checks.

Loren H. Stadlberger of Michigan is suspected of cashing two bad checks in San Anselmo and three in San Rafael, San Rafael Police Inspector Dick Camper said today. Each of the five checks was made out for $39. He allegedly cashed them in the Marin cities on July 21.

Women Brought To Marin For Robbery Arraignment

Two rugged women, who admitted robbing the Motel Alto last Nov. 10, were to be arraigned Marin Municipal Court this afternoon on charges of armed robbery.

Patricia A. Racine, 25, and Paula Anne Haley, 23, were brought to Marin County Jail last night from the Institution for Women at Corona, where they are each serving a five years to life term for an Oakland robbery committed after the Alto holdup.

Victim of the Motel Alto holdup was Mrs. Edith Lucile Koons. She told sheriff's deputies two mannish-looking women rented a room, then slugged her over the head and left with $100. Mrs. Koons has identified the two as the Alto robbers, Inspector Bowen Bridges of the sheriff's office reported.

One week after the Alto holdup, Oakland police arrested the two women for holding up a grocery store. They then admitted the Alto holdup.

Inspector Bridges said both Miss Racine and Miss Haley are originally from Southern California.

Hearings Slated On Milk Prices

SACRAMENTO (AP) — The state is considering a change in milk prices in the San Francisco Bay Area, but minimum prices paid by consumers would not be affected.

The Department of Agriculture today set hearings for Feb. 5 in San Rafael and Feb. 11 in San Francisco to consider wholesale quantity discounts to retail operators.

The areas affected would be Marin and San Francisco counties and the northern portion of San Mateo County.

Embers Is Sold But Liquor License Lack Delays Taking Of Possession

The Embers of Corte Madera has been sold by **Yolanda Apostoli** to **Michael J. Hickey**, formerly of San Francisco and now living in San Rafael on Coleman Drive. The sale has been made (through Harry Abras of Timmer Realty), but the liquor license transfer has not yet been approved, so Hickey won't be able to take possession until sometime next month.

Meanwhile, Yolanda who has her hands full at the Dunkit Coffee Shop in Larkspur, is keeping the Embers going (but without dinners) until the switchover.

Hickey is new to the restaurant business—he was formerly engaged in importing copra from the tropics. He expects to keep the Embers name but not the former menu. He'll specialize in charcoal broiled steaks and the like. At the start, only dinners will be served—Tuesdays through Sundays.

THERE'S A CHANGE of pace coming up at 112 Spalding Avenue, San Anselmo, which has existed since this place first became a restaurant under Robert Charles. Now as **Pandora**, it will go into lunch service (as well as dinners) commencing Feb. 3.

The mid-day schedule will be Mondays through Fridays — with lunch served from 11:30 a.m. to 3 p.m. Service will be cut off at 3 on Mondays and Tuesdays (no dinner service on those days), but Wednesdays, Thursdays and Fridays the restaurant will continue right in to the dinner hours. Later in the year, says **Jim Pias**, dinner may be served seven days a week.

New lunch menu includes several specials like braised short ribs jardiniere, San Remo casserole, coq vin rouge, artichoke fritata a la Toscana, fresh asparagus Milanaise and some fancy salads and sandwiches a la carte.

The daytime parking problem will be ironed out, says Jim, by a no-tip valet car service, using some of the space now available after the move of White's furniture downstairs.

ELWOOD'S in Stinson Beach had intended to close down in January and February in order to rebuild. But the **Shurtleffs** tell me they'll keep open while the new building is being put up in the rear, so service will continue uninterrupted. Completion should be in March or April. And the present menu may then be expanded.

It's open everyday now except Tuesdays for breakfast, lunch and dinner—from 6:30 a.m. to 10 p.m. Seven days a week in the summer.

SOMETHING NEW on the menu at **Ramona's** in San Rafael—a Sunday dinner served family style, at $2.50. Entrees will change—this Sunday I believe it's roast beef with one of Ramona's Mexican sauces.

GRAND OPENING of **Gourmet Joe's** — now operated by **Carl Ditters** and **Danny Olsen** instead of by Country Club Bowl—will be held tomorrow night.

AT THE RECENTLY OPENED Red Vest (Nave Shopping Center) in Novato, **Don Giovannoni** is the new chef. He's returned from elk hunting in Idaho and is settling down to work again. Dinner specialties are in the $2.50-$3.25 range for brochettes, New York steaks, lobster, broiled chicken and the like.

AT TOMAHAWK LODGE, north of Novato (not so far north—only a mile and half or so), **Earl Hummell** is the new chef and he has **Ted Trent** with him. Earl has an extensive new menu going into effect that mentions such things as frog legs provencale, mahi mahi Hawaiian, lobster thermidor and Newburg. You can start at $2.95 or go as hign as $6.50 for complete dinners.

AND SPEAKING OF LOBSTER, apparently the eastern variety is going to be available all the time now at **Sabella's**. A tank of live critters was put in shortly before the holidays.

ALFRED ROBLIN of **Ondine** left by plane today for Ecuador to join scientists who will study evolution on the Galapagos Islands for about a month. At our last talk he was very pleased to bypass the voyage on the Golden Bear when he learned its eccentric sea habits.

I imagine he'll have a lot of empty stomachs to feed by the time he and the scientists get together on land. They might even be ready by then to take on an iguana steak.

Sausalito's Bridgeway Inn Is Sold

The Bridgeway Inn, 621 Bridgeway, Sausalito, has been sold by Glenn F. Hill to Leo R. Maillet, a resident of Castro Valley.

The transfer will take place upon issuance of the liquor license, Maillet said. After considerable remodeling, the restaurant and bar are expected to open Feb. 17 under the new name of Gateway Inn.

The transaction was handled by Harry Abras of San Rafael.

Drake High To Enforce Law Against Tobacco Possession

Sir Francis Drake High School in San Anselmo next semester will enforce more actively a law preventing student possession of tobacco on school grounds or at school-sponsored events elsewhere.

Principal Harold Allison said the law, which also bans smoking on school grounds, has long been a part of the California State Code of Education, but has not been policed to any great extent heretofore.

He said recent reports of health damages caused by tobacco, however, have prompted the school to a more positive enforcement, including the possession portion of the law and that letters have been mailed to all parents of students at Sir Francis Drake advising them of enforcement effective with the new Feb. 3 semester.

Other high schools in Marin County, including Redwood High, San Rafael High, Tamalpais High, Novato High and Terra Linda High all reported yesterday that enforcement of both phases has been in effect all along, so no new action is necessary.

Terra Linda High has had about a dozen violations dealt with, both smoking and possession, this semester, with penalties including short suspensions from school.

Novato High has had small penalties meted out for possession recently.

At Drake, Allison said possession enforcement will not reach the stage of searching students, but school officials will be alert for any violation.

He said it has been difficult to prevent students from mingling with adults at basketball games and other school night functions and smoking, but further effort will be made to curtail that, also.

Request For Sauna Baths Is Going Before Planners

Sauna baths, Sweden's combination of hot air and cold water, will be discussed thoroughly by the Marion County Planning Commission at its regular meeting Monday.

Developer Harry Johnson, builder of Sabella's Restaurant, has asked for a use permit to allow installation of a sauna club in the Sabella building, 555 Redwood Highway on Richardson Bay. The request is item No. 15 on the agenda.

Monte Schaulis, representative for the Viking Sauna Corp. of Northern California, said yesterday that he expects to be able to open the club and sales office within a month after receiving final planning and building approval.

He said the club would be the first of its kind in Northern California, and that the sales office could serve all the coastal counties north of the Golden Gate Bridge.

The commission is also scheduled to consider again the proposed use permit for a post-office next to the Kentfield Fire House, item No. 1, and the development of the 250-acre Pimentel Ranch west of Novato, item No. 4.

The staff has recommended against installation of a post-office at the site because of traffic problems at Sir Francis Drake Boulevard and College Avenue.

In the case of the Pimentel ranch, the board of supervisors sent the plan back recommending elimination of apartments and a shopping center and also of cluster housing in the proposed development, asking that no lot be smaller than a quarter acre.

The commission will also hold another hearing, item No. 12, on zoning in the Bolinas-Stinson Beach area, and a hearing, item No. 13, on a proposal to reclassify land owned by the Marin Municipal Water District to open area zoning.

Novato Woman Helps Organize New School

Mrs. James O'Donnell of 4 Pastel Court, Novato, has helped organize a non-profit school for emotionally handicapped in Santa Rosa.

She is anxious to hear from parents of children, ages 3 to 12, who might be interested in the school.

TODAY'S EDITORIAL

Most Important Point Ignored At Conference

God bless President Johnson for undertaking a seemingly effective effort to do something about the high cost of government.

Perhaps what he is doing to the federal budget may be noticeable on our individual income tax bills next year. At least we hope so.

But his efforts may wind up to have an even greater beneficial effect, unforeseen by him.

We refer to the echoes from the governor's office in Sacramento.

Governor Brown campaigned successfully on a platform of "no new taxes" during the first year of his new term. That was last year. Actually, the legislature passed some new tax laws. The governor gave his support to several and signed them, so his campaign pledge wasn't as firm as it sounded.

This year we expected the lid would be off for new tax measures when the legislature meets next month in Sacramento.

But maybe, just maybe, President Johnson's long shadow will extend all the way to the halls of the California capitol and make it just a bit embarrassing for a Democratic legislature and a Democratic state administration to go overboard on spending. At least we can hope.

It may even be that this cut-expenditures kick may spill over into our own Marin County civic center.

County Administrator Alan Bruce has declared his intention to try to hold the line on county expenditures in the coming fiscal year.

His statement sounds less like President Johnson's and more like Governor Brown's. That is, Johnson just plain orders that cuts be made. But Brown and Bruce cite reasons why you can't really expect too much in the way of reductions although they want everybody to try to economize.

Are Marin taxes too high?

Many think so.

At this time of year—between the December and April installments of county taxes—it is hard NOT to think so.

Marin property owners bear the highest percentage of the cost of local government in California.

Our increase in county government spending last year was the second highest in the state, 19.56 per cent.

Our tax rate is only slightly above average for the state. But continuing reappraisal keeps raising our individual tax bills, so the county can spend more while still keeping the same stated rate per $100 of assessed value.

Obviously we are in a bind that is growing ever tighter.

One evening earlier this week our county supervisors got together with Senator Jack McCarthy and Assemblyman Bill Bagley to discuss these problems, among others, in hopes perhaps some changes in the state laws might help.

Unfortunately, in all that long conference nobody ever once suggested the obvious:

Cut down on county spending.

Some will regard this as preposterous and unrealistic—the same as it was regarded by many in Washington before Lyndon Johnson went to work.

Let us pray that Johnson's influence and example some way will ultimately be reflected locally.

No Suez-Type Pullout Seen In U.S. Row In Panama Canal Zone

WASHINGTON (AP) — While there is some similarity between events now involving the Panama Canal and what happened at the Suez Canal in 1956 there is small chance the outcome will be the same.

The Egyptians seized Suez in 1956 and have run it since. But Secretary of State Dean Rusk says this country cannot afford to pull out of the Panama Canal Zone.

WHAT WAS SIMILAR at both canals was the rising nationalism of Egyptians and Panamanians and their resentment of foreigners on their soil.

In both cases, Egyptian and Panamanian nationalism was a by-product of World War II, which left the European colonial powers so prostrated they had to yield their colonies.

To Panamanians, Americans in Panama no doubt mean sheer colonialism even though this country has a treaty to be there and run the canal.

Because this country is so big, considers itself the leader of the free world, and is trying to keep small and backward countries away from communism, it cannot help but feel self-conscious in its dispute with tiny Panama.

FOR THIS REASON the Panamanians can feel encouraged to push for concessions. This country undoubtedly will feel compelled to make them though, from what Rusk says, not total withdrawal.

The background of the two canals is not identical.

Though the French built the Suez in 1869, the British became the canal company's biggest stockholder in 1875. They subsequently built a huge military base at Suez.

After the war, the Egyptians had enough of colonialism. In 1952 an army revolt threw out King Farouk and took over Egypt. Col. Gamal Abdel Nasser became president.

He pressured the British into pulling their troops out of Suez. The United States and Britain hoped to win him over, offered to help him build a huge dam. He dickered with the Soviet Union and tried to play both ends against the middle.

THE UNITED STATES and Britain withdrew their offer of help on the dam. Nasser retaliated by seizing the canal. Not long afterward Britain, France and Israel began an invasion of Egypt. This came to a quick stop when the United States and the Soviet Union disapproved.

The canal company's contract with Egypt was to run until 1968 after which the Suez was to be turned over to Egypt. Nasser took it 12 years ahead of time. The situation is different with the Panama Canal.

THIS COUNTRY'S 1903 treaty with Panama for American control of the canal completely lacks a limit like the British had at Suez. It says American control is to run forever, or at least indefinitely. This has irritated Panamanians.

MARIN POLITICAL VIEWS

It Looks Like Bagley Won't Have Free Ride In Election After All

By WAT TAKESHITA

TAKESHITA

ASSEMBLYMAN WILLIAM T. Bagley (R-San Rafael) may not get a free ride in the elections this year after all.

There's some talk that a couple of Sonoma County Democrats are thinking of running for the Assembly post. Most prominently mentioned is Warren Rossiter, a teacher in Healdsburg.

Then comes Richard Cooper, a Cloverdale attorney, whose name is in the rumor stage.

The general feeling among Democrats in Marin is that Bagley is a tough man to beat. Besides, the Democrats are not entirely displeased with the voting record of Assemblyman Bagley, who is a liberal Republican.

Therefore, the Marin Democrats apparently feel that if anyone wants to run against Bagley, maybe someone from Sonoma County can try. Bagley represents the 7th Assembly District (Marin and Sonoma).

REP. DONALD H. CLAUSEN (R-Crescent City), representing Marin and five other north coast counties in Congress, will have some formidable opposition this year.

Three men are making a pitch for the Democratic nomination to oppose Clausen in November.

Clem Vanoni, Geyserville rancher, is a "conservative Democrat." The other two, both in their early 40s, are more liberal. George McCabe, administrator at Sonoma State College, and Merle Orchard, Ukiah attorney and former district attorney, are both polished speakers.

The fact that the Demos decided not to endorse any one candidate for the primaries means that all three will be campaigning full blast up and down the coast, from Marin to Del Norte, attacking Clausen at every turn.

THE DECISION FOR or against endorsement was a tough one for the Democrats to make. There were good arguments for both sides.

Those for an open convention with no endorsement argued: The purpose of the primary is to choose the best man. Let McCabe, Orchard, Vanoni and any others expose themselves to the rigors of a campaign and let them polish up for the November fight. Besides, it's better to have two or three men stump against Clausen rather than just one.

Those for endorsement argued that rank-and-file party workers who work so hard without recognition deserve at least the right to endorse the candidate they like best. Besides, a wide open primary will cause dissension in the ranks, and criticism of each other will hurt whoever wins the Demo nomination in June.

But we're sort of happy that there will be no endorsement. There's nothing cut and dried, each man for himself, and may the best man win.

By a 2-1 vote, Sausalito School Supt. Clifton L. Boyle's contract was renewed for four years, after 10 years thus far.

Tom Hardcastle, secretary-treasurer of the Novato Commuters Club, reported intention of the Public Utility Commission to establish bus load standards eliminating the current "standee" problem.

State officials revealed plans for a five million dollar freeway plan for 2½ miles of Highway 101 from Manzanita Junction to Corte Madera city limits at the top of Alto Hill, including an Alto cloverleaf.

WHAT OUR READERS SAY

Here Is Plan For Preserving History

Editor, Independent-Journal:

Your Jan. 8 editorial on the loss of the last Mission pear tree seemed to me to be wide of the mark. As soon ask the contractors to care for trees as to ask the lion to ration itself on lambs! And as for bulldozer operators? Who knows what satisfactions they get from acting out impulses of vandalism and destructiveness which the rest of us must repress or be thrown in jail?

It was shocking to read of the people who afterwards came forward and said, "Oh I knew, or so-and-so knew of the tree, or such-and-such plans were being made to save it," and nothing was done, **at the site**, to indicate the value of this particular historical feature. Accordingly, I make the following proposals:

1. That the position of County Antiquarian (perhaps someone can think of a more felicitous title) be established, in cooperation with the historical society and the county library;

2. That each resident who has some knowledge of a rare or historical feature of Marin—a building, a relic, a rare species of plant, a tree, a place where a famous person or early settler lived — come forward and pass his knowledge on to the "Antiquarian," with exact location, map, sketch, photograph, or written description, to identify and indicate the importance of his particular contribution;

3. That the "Antiquarian" shall forthwith have erected inexpensive, distinctive markers, sufficient to be observed by those visiting the site, or about to do construction or grading work within the area;

4. That the Board of Supervisors pass an ordinance making any disturbance or destruction of the marked historical or natural feature illegal and subject to heavy fine, except after consultation with the "Antiquarian," placement upon a public agenda, and approval by either the Supervisors or such commission which they shall constitute to assist them in this manner.

I also propose that an aggressive policy of familiarizing workers and contractors with this program through their unions and professional organizations be carried out, with the purpose of ending ignorant, unthinking, piecemeal destruction of something from our heritage which cannot be replaced.

I am sure that if any of our fine service clubs and youth groups desired to work with this program, it could be implemented with great ultimate gain to all of us and very little additional cost to the County.

Wanted: Recreation Facilities Near Home

Editor, Independent-Journal:

With the warmer months approaching I am faced with the problem of where to take three active children for a day of swimming for them and relaxing for me—within the city limits. Anyone who has taken children to the San Rafael High School pool can attest to the fact that a choice of sitting on the cement surrounding the pool or in the bleachers is not the most desirable way of enjoying the summer.

Recently you featured a story about the old San Rafael baths attracting people from the entire bay area. We still have the ideal climate but no recreation and swimming facilities.

It's possible our youth problem might be lessened by an attractive place for teen-agers and family groups to enjoy our climate without driving miles out of town. It is also quite possible that many of us would spend our vacations at home instead of heading for the hinterland.

Maybe your readers will have an idea as to how this problem might be solved.

When Will I-J Print Complete Stock List?

Editor, Independent-Journal:

Why can't you publish a complete stock table for the many retired people in the county who must take the Call-Bulletin to get it?

R. A. MILLARD

(It would cost the I-J about $1 per month per subscriber plus a heavy capital investment for mechanical equipment to provide this service at this time. We don't think very many of our subscribers would want to pay nearly double for their subscription to get the complete daily stock listings in the I-J. Before our circulation gets as large as the Call-Bulletin's, we will be able to offer complete daily stocks with no extraordinary increase in subscription rate.—EDITOR)

Duplication Blamed For Hospital Costs

Editor, Independent-Journal:

I hope you will publish the following letter which I believe might be of interest to some of your readers.

Your coverage of events has always been exceptionally good in regards to the hospitas of Marin. I would like to contribute toward this end.

The residents of Marin have a chance to stop the rising cost of hospital care. If the 100-bed hospital now planned for San Rafael gets your support, you will be contributing to the major reason hospital costs are skyrocketing, duplication of expensive hospital facilities and expensive personnel.

A new 100-bed hospital would require a vast amount of X-ray, laboratory and operating equipment. However, the same number of beds added to Marin General Hospital could be accomplished with only fractional additions to the present excellent equipment at Marin General. The same is true of administrative and office personnel.

Mr. (William) Turner, administrator of Marin General Hospital, has estimated that the plan to build on to the existing facilities would cost a half million dollars less than building a new hospital.

Marin General Hospital has excellent equipment and an excellent staff. It is a nonprofit hospital; the reduction in cost has to be passed on to the residents of Marin County.

Logical. I hope so, it's your money.

TRY AND STOP ME

BENNETT CERF

One of the most distinguished ladies in New York had an unsettling experience last week. Persuaded to call on her husband's old aunt, whose mind has been wandering farther and farther afield in recent years, she took advantage of the aunt's momentary absence from the living room to inspect at close range a full-length portrait on the East wall. The aunt caught her studying the portrait, and said sharply, 'Don't bother looking at that painting. The woman who posed for it is a horrible creature." "But, auntie," protested the startled visitor, "I'm the one who posed for this painting. It's ME!" The aunt corrected her coldly, "Watch your grammar, my dear. 'It's I.' "

During a sudden thaw one day last winter, a Long Island socialite's pet cocker spaniel fell through the ice on a pond near the family estate. The dog was rescued, and rushed by its owner inside the house. The butler was hastily summoned and ordered, "Quick! Bring some whiskey for this poor shivering dog." "At once, madam," nodded the butler. "Scotch or rye?"

THE ALLEN-SCOTT REPORT

Johnson, Bobby Back Rival Senate Nominees

By ROBERT S. ALLEN and PAUL SCOTT

WASHINGTON—President Lyndon B. Johnson and Atty. Gen. Robert Kennedy are facing the first significant test of their tenuous arrangement to let bygones be bygones and to work together until after the November elections.

Each is supporting a strong candidate for the Democratic senatorial nomination in Maryland's May 19 primary, and the outcome of this backstage clash remains to be seen. It could end the "marriage of convenience."

Favored by the president is State Comptroller Louis Goldstein Also backing him are Gov. Millard Tawes, Sen. Daniel Brewster, and other influential leaders.

Kennedy's candidate is former U. S. Atty. Joseph Tydings The son of the late longtime Sen. Millard Tydings was named to this important federal job for the avowed purpose of furthering his prospects to seek the seat held by Republican Sen. Glenn Beall.

PRIOR TO President John F. Kennedy's assassination, the stage was set for his administration to throw its weight behind Tydings.

Now the situation is exactly the opposite.

While outwardly the president and his political lieutenants are keeping hands off this explosive Democratic contest, no doubt is being left that Comptroller Goldstein is their choice.

Nothing is being said against Tydings or Attorney General Kennedy. But the undisguised enthusiasm for Goldstein comes through loud and clear.

Pointedly indicative of this is the reaction of the president's close political assistants to a complaint of undercover intervening for Tydings by a key-placed Kennedy holdover.

Clifton Carter, top political lieutenant of the president, has assured Goldstein managers that the holdover will be bluntly told to "cease and desist."

WHAT, IF anything, "Bobby" Kennedy does about this is a toss-up.

If he continues to work for Tydings, that will put him at direct loggerheads with the president and his faction. If the attorney general bows to the new administration's sentiments, he will be breaking ties with Maryland politicos who were very active for his late brother in the crucial 1960 pre-convention struggle.

POLITICALS — "Bobby" Baker, former Senate official who is under investigation, is letting it be known he is writing a book. Baker is very mysterious regarding its contents, saying he can't discuss that under the terms of his contract. . . . The Four Freedoms award will be presented to Assistant Senate Democratic Leader Hubert Humphrey (Minn.) at a big dinner in New York on March 15. President Johnson will send a personal message, and prominent party leaders will speak. . . . While in Washington last week, Governor "Pat" Brown disclaimed interest in seeking the vice presidential nomination. He did tell friends, however, that in the event Nixon gets the Republican nomination, he (Brown) "could be of real value to the Democratic ticket. I could help a lot in carrying my home state of California."

20 YEARS AGO

Mrs. John Spear of San Rafael was rushed to hospital for treatment of an accident described thus by police records: "Mrs. Spear slipped and stepped on her thumb."

A total of 16,880 Marin County phone books were distributed with 12,996 entries, up from last year's 11,887.

Contractor George Goheen was chosen president of the newly reorganized Mill Valley Chamber of Commerce, hot after more light industry for South Marin.

With T. Fred Bagshaw as new owner-publisher of the Marin Journal, letters declared that "the new blood spells success."

Should The Planning Staff Just Handle Routine Or Actually Plan?

MARIN COUNTY planning director Billy D. Dobbs is going to have to buck some tough opposition to gain even a substantial part of the major staff increase he has asked for.

Many of the people whose support he may need for pushing the program past the Board of Supervisors are ag'in it, without having actually studied the proposal to increase the planning staff from 14 persons to 22.

On the other hand, the County Planning Commission, which approved the plan after almost no discussion, mainly on Dobbs' say so, probably does not really understand the situation. It has made no effort to examine alternatives to the proposal, and there are several alternatives.

At stake, actually, is the basic philosophy of what a county planning staff is supposed to do. Is it supposed merely to handle the myriad of variance, use permit and development planning requests that come in daily, in addition to handing out information to newcomers and potential developers?

OR IS IT to do basic planning and research, such as area general plans, layout for park developments, or studies of such things as the effects of high rise apartments on nearby residential developments?

Also, should the county staff serve as a consultant for other jurisdictions, such as is now happening with Novato on their general plan? Perhaps some day there will be a single planning staff for the county and all the cities, a move which would certainly help to integrate planning. Should the county staff be preparing for this day?

One of the big alternatives is to increase greatly the use of outside private consultants for certain types of planning jobs. This suggestion can draw heated arguments on either side, usually depending on the arguer's previous experience with consultants.

THE MAIN argument in favor of consultants is that they look at a problem with a fresh point of view, they are usually more imaginative and they finish their job on time. One of the main complaints about having staff men do general plans and other studies is that they are so tied up with routine items they never get a chance to go off anywhere and plan.

Consultants aside, there is another major factor controlling the size of a planning staff, although few people realize it. A hard-nosed Board of Supervisors or city council and planning commission can get along with a much smaller staff.

If the word gets around that variances just are not granted, and that staff recommendations are followed to the letter 99 per cent of the time, the morass of requests which now crowd agendas just do not appear. Sometimes such a procedure seems unfair, but often it is less costly.

PART OF THE strength of a planning program is based on the composition of a planning commission and legislative body. Many planners gained great reputations, although they were not very intelligent or imaginative men, simply because they had tough backing.

Possibly many planners have simply been strong enough, however, to pull through a good planning program by forcing a recalcitrant board or commission to come around to their way of thinking. Often what is needed is a major job of educating responsible laymen.

U.S. Picked Heck Of A Time For Chuck With That Smoking Report

WASHINGTON—The trouble with giving up smoking is there never seems to be a right moment to do it. Last Monday we were in Chicago ready to fly back to Washington with a friend, Chuck Grant. Chuck announced on the way to the airport that he was very impressed with the government report on cigarette smoking and he was giving up smoking as of that day.

"Why didn't you give it up yesterday," we asked.

"I figured with all that trouble down in Panama it wouldn't be right to give it up on Sunday. But today's the day."

When we got to the airport in Chicago we were informed by American Airlines that our flight to Washington had been cancelled as National Airport was closed because of a severe snowstorm.

WE WENT TO the coffee shop to kill three hours. Chuck was very nervous and after three cups of coffee he started eating lumps of sugar.

"Why don't you have a cigarette?" we suggested.

"Well, maybe just one," Chuck said. "I hadn't counted on this cancellation."

Three hours and 12 cigarettes later United announced they were taking off for Dulles and we boarded the plane.

"As of now," said Chuck, "I am not going to smoke another cigarette."

Two hours later the pilot announced over the loudspeaker that we were over Dulles Airport and, although the weather was all right, the runway had not been cleared as expected and we would have to circle the field for an hour.

CHUCK STARTED chewing on his safety belt.

"You'd better not do that, Chuck," we said. "Would you like a cigarette?"

"Well, I'll just have one until we get on the ground."

A half-hour later the pilot announced that they were unable to clear the runway and we might have to go to Cleveland or Richmond.

Seventeen planes were stacked above and below us.

Chuck was puffing like a steam engine.

An hour later the pilot said we would still circle over the field, but because of fuel considerations we would have to make the decision in a half-hour as to whether to go to an alternate field.

By this time Chuck had run out of cigarettes and started bumming them from other people's lunch trays.

Finally the plane was given the okay to land. We came down to a snow-laden field. It was a fine landing and everyone on the plane broke into applause.

"Now that we're on the ground," Chuck announced, "I've had my last cigarette."

Today is Friday, Jan. 17, the 17th day of 1964 with 349 to follow.

The moon is approaching its first quarter. The evening stars are Jupiter, Venus and Saturn.

Those born today include American inventor, statesman and author, Benjamin Franklin, 1706.

On this day in history:

In 1806, a baby was born in the White House for the first time as the daughter of Thomas Jefferson— Martha Jefferson Randolph—gave birth to a son.

In 1944, Gen. Dwight D. Eisenhower assumed command of the Allied Liberation Forces.

In 1961, the deposed premier of the former Belgian Congo, Patrice Lumumba was murdered.

A thought for the day — Gen. Dwight D. Eisenhower once said: "Humility must always be the portion of any man who receives acclaim earned in the blood of his followers and the sacrifices of his friends."

HOW TO PLAY

WINNING BRIDGE

By ALFRED SHEINWOLD

You Must Act Like Policeman To Defend In Certain Hands

A policeman is trained to spot suspicious behavior. Walk along normally, and the policeman on the beat will ignore you; sneak along furtively or break into a run, and he will chase you.

All of which leads to the observation that you have to be a policeman in certain bridge hands.

Declarer won the first trick in dummy with the king of spades and immediately returned a low heart from dummy.

VERY SUSPICIOUS

This was very suspicious behavior. An honest citizen develops a long suit, collects his tricks and proceeds calmly on to the next hand.

Why was South wasting his time on the hearts with a six-card club suit languishing in the dummy?

East was no policeman. He played a low heart at the second trick, woodenly following the old rule "Second hand low."

STEALS TRICK

South won the second trick with the king of hearts, thus stealing his ninth trick.

Now he could afford to develop the clubs, losing a finesse to the king.

No matter what East returned South could win and run nine tricks—two spades, one heart, one diamond, and five clubs.

STEP UP

East should step up with the ace of hearts at the second trick, suspecting what is going on. He should then shift to a diamond, hoping to bring his own suit in, with the king of clubs as entry to it.

This defense produces four diamonds, one heart and one club for the defenders.

Incidentally, give South credit for a fine play at the second trick. If he wins the first spade in his hand and tries the club finesse at once, East will win and lead a diamond without fail.

Then South can make only eight tricks.

PE Teacher Not In Good Shape

DES MOINES, Iowa (AP) — John A. Johnson is director of health, physical education and athletics for the Des Moines Public Schools.

He had been asked to appear before a meeting of the school board. His first words before he presented a report on the progress of the physical fitness program in the schools were:

"You folks don't mind if I sit down, do you?"

Dressen's Staff

Bob Swift, Pat Mullin, Stubby Overmire and Wayne Blackburn will coach under Detroit Manager Charles Dressen next season.

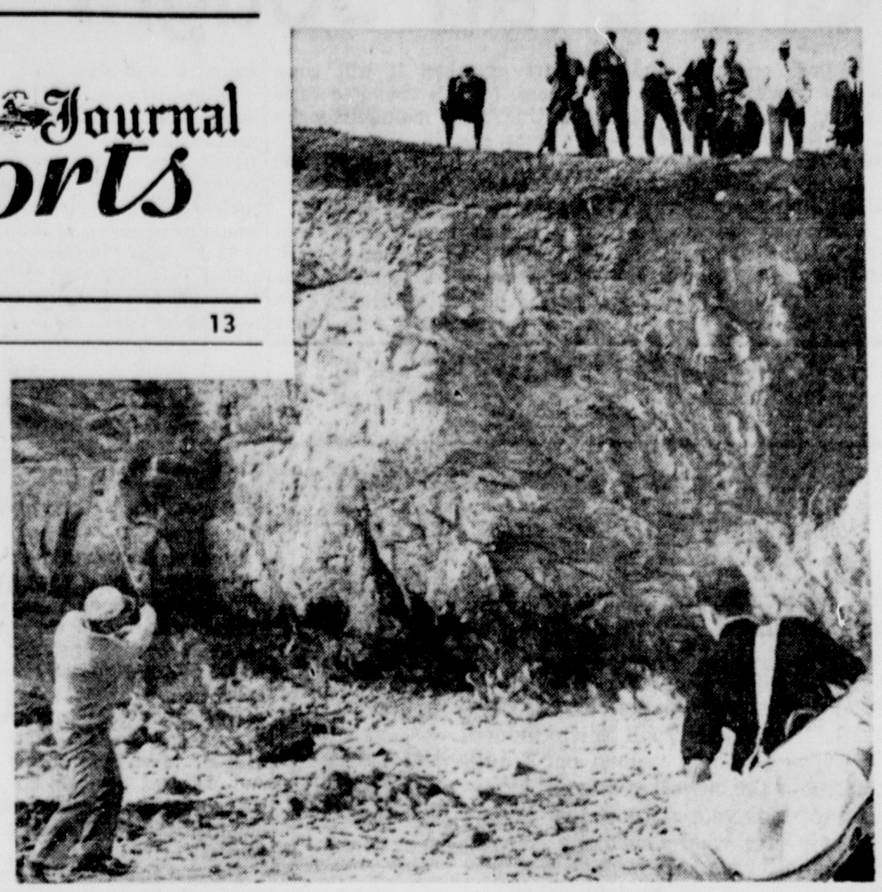
International Cast Steals The Show At Crosby Golf

Independent-Journal Sports
Friday, Jan. 17, 1964 13

UNORTHODOX METHOD — Ken Venturi took this unorthodox method to score par 3 on third hole at Cypress Point yesterday. His tee shot landed under tree, so Venturi put his back to the green, twisted his right arm around, and back-stroked ball to green. He then made a 25-foot putt for the par.



HIGH HAZARD—Canadian pro Stan Leonard discovered ocean and surf hazard at the 16th hole of Cypress Point yesterday. Here he hits out from beach to within four feet of cup, but took a bogie four on the hole. Foreigners Lead Way In First Round Play

By DICK BARNES

PEBBLE BEACH (AP) — An international cast is threatening to shoot a dent into United States golf prestige in the Bing Crosby's $60,000 National Pro-Amateur Championship.

Foreigners held three of the first four places as the 72-hole tournament entered its second round today. Other invaders were in contention and an Irishman was running second in the pro-am phase of the competition.

Meanwhile , America's biggest names struggled.

Lanky Canadian Al Balding held the top spot with his 32-34—66. British Ryder Cupper Geoffrey Hunt squeezed in at 67 with Bobby Nichols of the United States. British Open champion Bob Charles of New Zealand was another stroke behind at 68.

The 10-man traffic jam at 69 included Australian Bruce Devlin. The Irishman running second in pro-am play was Christy O'Connor, who teamed with Bob Goldwater, the Senator's brother, for a 61, three strokes behind leaders Mike Fetchick and Charlie Seaver.

Hunt and Egbert Sherwood, along with Puerto Rico's Juan Rodriguez and partner Bob Cardinal, were at 62 in this near-equivalent to a United Nations golf championship.

And where were the biggest names in United States golf?

Arnold Palmer, all-time money winning champion, was back at 72—needing improvement to win more than $100 here.

NICKLAUS 'BURIED'

Jack Nicklaus, the PGA champion, Masters titlist and only man besides Palmer to win $100,000 in one year, was buried in the 75 bracket—potentially below Saturday night's cut.

U.S. Open champ Julius Boros was somewhat better off at 71, but Paul Harney and Art Wall, winners on the young 1964 tour, each carried a 76 into the second round.

The field of 174 pros, each with an amateur partner, made the second stops today on the three-course rotation among Cypress Point, Pebble Beach and Monterey Peninsula. Three-round qualifiers will play Sunday at Pebble Beach before national television.

Balding played his first round at Cypress Point—usually treacherous yet surprisingly the easiest of the three courses in a day of sunny skies and nearly no wind.

MONTH'S REST

"I finally took a month's rest last July and I've been playing well ever since," said the Canadian PGA champion from Toronto. He played well yesterday with four birdie putts that ranged from 12 to 22 feet, a two-iron approach shot that stopped a foot from the 10th pin to set up an eagle and a 45-foot putt that saved a par.

Nichols, Charles and six of those who shot 69 played Cypress Point. Hunt and three of the 69 group played Monterey Peninsula — usually the easy course of the three—while Seattle club pro Don Bies, at 69, was the only Pebble Beach shooter who could break 70.

Nicklaus, however, was one man who didn't find Cypress entirely to his liking. He came to the famed 16th hole one under par. He tried to go over the ocean to the pin 222 yards away—and wound up on the beach at the base of a 50-foot cliff.

His valiant attempt to wedge straight up ended in the ice plant and he finished with a triple-bogey six.

The first round's best shot was perfect—a 233-yard hole-in-one by Los Angeles club pro Eric Monti. He aced Monterey's fourth hole with an intentionally faded drive that bounced once and rolled into the cup.

Bitter A's Owner Vows Court Fight

By JOE REICHLER

NEW YORK (AP)—Charles O. Finley has been ordered by the American League to remain in Kansas City but the embattled owner of the Athletics baseball club vowed today to continue his fight to move the club despite a threat of expulsion.

The American League, by a vote of 9 to 1 last night, turned down Finley's request to move the club to Louisville and, by the same vote, ordered him to sign a lease in Kansas City by Feb. 1 or forfeit the franchise.

"No one can and no one will take my ball club away from me," the fiery Finley roared defiantly. "I am not accepting the league's decision without a fight.

"I don't think they have the right to force me to stay in a city where I have been continuously losing money. I will go to court to find out if the American League legally has the power to restrain me from moving my ball club to Louisville or any other place."

In an informal press conference conducted minutes after he had stalked out of the nine-hour-long league meetings, Finley declared he intended to get an injunction, if possible, enabling him to go to Louisville. The embattled baseball executive had signed a contract, subject to league approval, to play in Louisville in 1964 and 1965.

Finley conducted the conference while perched on the top of a bureau in the suite of Kentucky Gov. Edward T. Breathitt, who headed a Louisville delegation supporting Finley.

"If it is legally possible to get an injunction whereby I can go to Louisville, you can rest assured I will do that," he said. "If I can't, I will go back to Kansas City and sign a lease for only as long as I have to—no more than one year."

Later in the conference, he amended this defiant attitude.

"The more I think of it, the more I believe I may sign a longer term lease with Kansas City," he said. "What difference if the lease is for one year or five or even ten if it's subject to the court's decision? If the court rules in my favor, I can get out. If it rules against me, I'll stay stuck in Kansas City and like it."

The announcement of the American League's drastic and unprecedented action was made by President Joe Cronin. After telling of the league's action ordering Finley to sign a lease in Kansas City by Feb. 1, Cronin read the resolution, which said in part:

"Failing to do that, a special meeting of the members of the league shall be called by the president as soon as convenient thereafter to consider and act upon the termination of the membership and/or expulsion from membership of Charles O. Finley and Co. Inc."

Cronin did not explain just how the league would expel Finley nor did he say whether the league would operate the club, seek another buyer or play out the 1964 schedule with nine teams.

However, Thomas Keane, Finley's attorney, said he had read Section Four of the league constitution and it was his impression that the league could dispose of Finley as an "undesirable" if he did not meet the league requirements.

Finley said he had been advised by Cronin that the league could take the club away from

Seals In Big Test Of Season

San Francisco Seals Coach Bud Poile says he thinks he has found a winning combination to throw against the Western Hockey League's leading Denver tonight, 8:30 o'clock, and tomorrow night at the Cow Palace.

And, he said yesterday that a couple of arguments caused him to discover the combination:

"Gerry Brisson and Len Haley had been arguing so much, I decided to switch Brisson, and put him with Duke Edmundson and Eddie Panagabke," Poile explained. "And," he added, "it worked fine."

Both Brisson and Haley scored in Tuesday's 5-3 win over Portland.

Poile isn't counting, however, on catching up with the Invaders. Denver has a 20-point lead over the third place Seals.

But, the Seals hope they can catch up to the Los Angeles Blades, who are just three points ahead.

"This is our biggest test of the season," Poile said. "And if we can keep our momentum against Denver, I think we can show everyone we're still the defending champions."

Marin Tars, Alumni To Clash On Jan. 24

The College of Marin basketball team will take on the Tar alumni team Jan. 24 at 8 p.m. in the Redwood High School gym.

The game was originally scheduled for Dec. 17 but was postponed after all the basketball equipment was destroyed in the fire that burned down the college's gymnasium.

MARIN ATHLETIC LEAGUE

Three Prep Games Tonight; San Rafael Ace Top Scorer

Marin Catholic High School will get its chance to take over sole possession of first place in the Marin Athletic League basketball race tonight when the Willdcats take on the cagers from Terra Linda High on the Trojan' court.

The Wildcats are currently tied for first place with San Rafael High School, both with 2-0 league marks. But San Rafael's basketballers draw tonight's bye.

In other games tonight, Tamalpais High School hosts Novato's Hornets and Redwood plays at Drake High School. All varsity games will follow the Class B games which start at 7 p.m.

After the first week of league action Rod Monti of San Rafael leads the individual scoring with 42 points in two games, good for a 21.0 average. He has 18 field goals and 6 free throws to tally his total points.

Bill Brody of Terry Linda and Lorry Galassi of Drake follow with 33 points each. Monti is the field goal leader with 18, while Galassi leads in charity tosses with 15.

San Rafael leads in both offensive and defensive team statistics, averaging 66.5 points in its victories over Terra Linda and Novato. The S. R. Bulldogs' defensive average is 42.5.

Tamalpais takes the runner-up spot in offensive figures with an average of 60 points per game, and Redwood has the second-best defensive average of 48.0.

BIRDS MIGHTY SCARCE FOR GEORGE BAYER

PEBBLE BEACH — Big George Bayer missed a short putt on the 18th hole, stomped off from his first round in the Crosby gold tournament and growled:

"That must be some sort of a record—54 holes without a birdie."

The missed putt cost him a birdie that could have ended a streak which began with Bayer's first two rounds at the San Diego Open. He failed to make the cut there and was well behind in the Crosby with a 76. Yet in the past three years he has won more than $75,000.

PGA press secretary Don Griffin said no records are maintained for most consecutive holes without a birdie —but conceded a streak as long as Bayer's is rare among the top pros.

Mrs Green Winner At Meadow Club

Mrs. Norman Green of the host club won low gross honors with a 90 yesterday in the Meadow Club's women's guest day medal handicap golf tournament.

Class winners:

Class A—Mrs. Thomas Brymer, Mill Valley, 95-21—74; Mrs. John McGee, 97-19—78; Mrs. Arnold Nutting, 98-20—78.

Class B—Mrs. Norman Ackley, 109-26—83; Mrs. Norman Ford, 121-29—86; Mrs. Lud Fentrup, Marin, 121-34—87.

Heavies Clash In TV Fight Tonight

CLEVELAND (AP) — George Chuvalo and Zora Folley will be trying for a shot at the world heavyweight title when they meet tonight in the feature bout of Cleveland's first major fight card since 1961.

Their 10-rounder will be televised nationally by ABC with the Cleveland area blacked out. (It will be seen in the San Francisco Bay Area starting at 10 o'clock.)

Matchmaker Larry Atkins said tonight's winner stands a chance of an early summer booking in Philadelphia with heavyweight champion Sonny Liston if he successfully defends his title against Cassius Clay Feb. 25.

Chuvalo, the Canadian champion, is a slight favorite to whip Folley, of Chandler, Ariz., who is ranked sixth among the world heavyweights. Chuvalo ranked No. 9.

Folly, 31, a 12-year ring veteran, was knocked out by Liston in the third round of a fight in 1960 before Liston won the heavyweight title. He won his last two fights and has a 65-6-3 record.

TOUGH SCRAPPER

Chuvalo, 26, won six in a row in 1963 after a year-long layoff in 1962 and has an over-all record of 25-7-2. The tough Toronto scrapper never has been knocked out and has won 19 bouts by knockouts.

A win is a must for Folley, father of seven. His manager, Bill Swift, is doubtful that Folley would remain in the fight game long if he dropped from the top 10. His retirement would be hastened by a loss to Chuvalo.

Common Pro Grid Draft Sought To Ease Money War

By BOB MYERS

SAN DIEGO (AP)—The booming cost of hiring college rookies—for example, reputedly more than $130,000 for three years for a guard—must surely lead to a common draft between the old National Football League and the now robust 5-year-old American League.

These were matters of major concern and hope today as the bosses of the AFL resumed their annual meeting.

The mutual draft was a key topic, but there will be no changes in the AFL line-up in 1964. Commissioner Joe Foss said there will be no expansion and no switching of cities by the eight clubs in the league.

Spokesmen for each team spoke with optimism. And with a new television contract coming up for 1965, the future seems brighter than ever—or so says the league.

Barron Hilton of the San Diego Chargers and K. S. "Bud" Adams of the Houston Oilers voiced the sentiment of the league in the matter of a common draft with the NFL.

"I don't know where it will start or when it will come about, but it's bound to come around," said multi-millionaire Adams.

Adams explained that he had a point. It appeared the Oilers would have a profit for 1963.

"It looked good until about three weeks ago, when we started signing ball players. The traffic is getting heavier. We paid about $250,000 in bonus money to sign players."

Hilton, who has not spent too much money for the untried rookies since his champion San Diego club has a relatively young and winning team, nonetheless said his losses for 1963 would be in excess of $200,000.

The young Barron hastily added that this was $175,000 less than the previous year and he said he firmly believes his club and every other team will be in the black by 1965—thanks to the television revenue.

The $130,000 signee? President Calvin Kunz Jr., of Denver, identified him as huge guard, Bob Brown. Denver drafted him No. 1 and presumably went as high as $130,000. Kunz said he signed with the NFL Philadelphia Eagles for what he presumed to be more than $130,000.

Adams said they offered Billy Truex, an end from Louisiana State, a sizeable figure and Adams declared that Truex will make more with the Cleveland Browns than the reputed $42,000 their famous veteran fullback, Jimmy Brown, receives.

The league went into several matters today, including preliminary talks about 1965 television.

The current pact with ABC expires after the 1964 season. Each club, according to ABC Sports Director Chet Simmons, received approximately $240,000. ABC has until April to exercise its option to renew the contract.

The National League meanwhile has invited ABC, NBC andn CBS to offer bids for NFL games. The CBS contract with the National League has now expired and a new contract will be signed later this month.

Daily Double Talk On The Golf Links

PEBBLE BEACH (AP)—Daily doubles used to be strictly hoss track talk but they have one now in Bing Crosby's golf tournament.

Mike Fetchick, the old pro from Glen Head, L.I., New York, and one-time winner of the Western Open at San Francisco, among other things, found himself the benefactor by $1,000 in the first go-round with the new system.

Big Mike, who shot a two-under-par 70 personally in his first round over the Cypress Point course, went off the course grateful to Fresno's Charley Seaver, former Stanford star who describes himself now as strictly a "weekend golfer." Be that as it may, Seaver toured the Cypress layout in even par, helped Fetchick by 12 strokes and they came up 14 under par and leading the pro-amateur feature for the first day by 3 strokes. Seaver has an 8-stroke handicap which figures in the team scoring.

Today, the pro on a team with the best score for that day gets another $1,000. Llikewise on Saturday. Sunday, of course, the pro-amateur event gets unscrambled with the tournament's leading combo taking off the lion's share of the $15,000 put up for this special phase of Bing's annual clambake.

Lap prizes are fought over only on the first three days but, if by some phenomenal performance a team won the heat money all three days, plus the Sunday windup, the pro could conceivably collect a total of $7,000, there being a $4,000 first prize in this pro-amateur competition.

TREMENDOUS LONG SHOT

Admittedly a tremenous long-shot, a pro could win more in the pro-am than in the regular pro competition which carries a $6,400 top award.

Ken Venturi, the San Francisco pro who only a few years ago won the Crosby, also benefitted by having a spectacular amateur partner, a 30-year-old Austin, Texas, lawyer named Roane Puett, new to this tournament but from all accounts, a very hot item.

Ken turned in a pedestrian 75, four over par, but the pro-amateur team finished 10 under par, thanks to Puett's fine shooting at Cypress Point. Puett, a University of Texas product practing law in his state's capital has a 7 handicap in the Crosby and, everything considered, helped Venturi by 14 strokes.

Going into the second round, they were only four back of the Fetchick-Seaver team.

League May Take A's From Finley

Continued from page 13

him and operate it until a buyer would be obtained. In the meantime the league would give Finley whatever profits might be made or would charge Finley with whatever losses might accrue.

Upon completion of the sale, the money would, of course, belong to Finley.

Finley's acknowledgement that he would operate the Athletics in Kansas City, however reductantly, pending court action, seemed to preclude any possibility of such extreme measures.

Finley said he had no idea whether the league's action would worsen his position in future negotiations with the City Council of Kansas City. A member of the City Council said, however, the committee would not seek to take advantage but instead would lean over backward to offer Finley an equitable lease arrangement. He did not say what the offer would be.

Negotiations up to now have been a series of complex wrangles concerning the new lease. The old one expired last Dec. 31.

The main point of disagreement between Finley and the City Council is Finley's insistence that he pay no rent if attendance in any one year falls below 900,000.

Tumbling, Trampoline Classes To Start

A new class on tumbling and trampoline is being formed by San Rafael Recreation Department, it was announced today by Joseph D. Rodota, head of the department.

The classes will be held on Saturdays at the San Rafael Community Center on Union Street. Registration will be held tomorrow.

Class times for boys and girls aged seven through nine years will be 9 to 10:30 a.m., and times for boys and girls 10 through 12 will be 10:30 a.m. to noon. Instructors will be Patty Ovens and Mason Niblack.

Crosby Tourney Sometimes Makes Leading Pros Look Like Hackers

Jack Hanley

PEBBLE BEACH—There is no golf tournament like the Crosby for single-hole casualties. The Crosby never fails to bring single-hole grief to at least one pro. Before the final shot is fired Sunday afternoon in the current Crosby, the list of victims will be lengthened.

Cypress Point's vicious par-3 16th hole still is the biggest villain but chroniclers of high scores know that it isn't the only hole where normally smooth-stroking pros have been made to look like hackers in the Crosby.

Even though Don January, Bob Bruno and Jim Petersen all required 11 strokes to conquer No. 16 last year, Hans Merrill's 19 there a few years ago stands as the record. Until Merrill came along, the late Porky Oliver's 16 on No. 16 in 1954 was tops.

However, Merrill's 19 is not unique. Dale Douglass, slender teaching pro from Lakewood, Colo., unhappily tied it last year but not on No. 16. Douglass got his 19 on Pebble's 10th hole, an ocean-bordering, 421-yarder, where he put three unplayable penalty shots on the beach.

THE 295-YARD ninth hole at Cypress did in Canadian George Knudson last year. He took 13 blows there enroute to to an 89 and a pink slip out of the tournament.

"I was closer to the hole in one on a green-side trap than I was in 10 after blading the ball across the green into some impenetrable vegetation," said Knudson.

TO THEIR credit, the Crosby's single-hole victims haven't produced one sorehead. All have taken their misfortune like real pros. Perhaps the relaxed atmosphere of the tournament is the reason why.

One of the best sports in the entire history of the tournament was a British golfer named Guy Wolstenholme who played in the 1962 Crosby.

WOLSTENHOLME was a victim of No. 16 at Cypress but not in the usual way. During a practice round in the '62 tournament, Wolstenholme got tangled in ice plant and fractured his arm.

"It cost me $1,500 to come over here and fracture my arm," said Wolstenholme. "I could have done it at home for nothing."

U.S. Gal Skier Looks Like Cinch For Olympics Title

BAD GASTEIN, Austria, (UPI) —Jean Saubert would be wise to take an extra handkerchief with her to the Winter Olympics—she'll need it to polish her gold medal.

The daring young lady from Lakeview, Ore., has put on a spectacular show during the pre-Olympic trials and she's been a consistent winner against Europe's best women skiers. There is little doubt in the American camp that Miss Saubert will become only the third U.S. citizen to capture a gold medal in skiing when the games get underway at Innsbruck, Austria, Jan. 29.

Even Miss Saubert, an attractive 21-year-old junior at Oregon State, is optimistic following her victory in the slalom of the Silver Jug meet yesterday.

"I feel on top of the world," she said. "I'm having a superb season and I'm confident of taking home a gold metal from Innsbruck."

Most of the confidence stems from the fact that Miss Saubert now has won five events in four meets this winter. And even when she lost she always finished among the leaders.

Miss Saubert set a scorching pace down the 48-gate course with clockings of 45.38 and 45.05 seconds for an aggregate of 1:30.39. However, she had finished fifth in the downhill race Wednesday and thus took second place in the combined standings behind her biggest rival on the winter tour, Marielle Goitschel of France.

Familiar Role For Perranoski

HOUSTON (AP) — Ron Perranoski will appear next Tuesday at Houston's major league baseball dinner in the role he knows best—relief.

The left-handed bullpen ace of the Los Angeles Dodgers will accept the Dickey Kerr award for teammate Sandy Koufax.

Stanford, UCLA In Blue Ribbon Duel

Stanford, with its best basketball team since World War II, tonight takes on UCLA, the nation's top-ranked cage power, in the opener of a blue ribbon Big Six series at Los Angeles.

UCLA has a 4-0 conference record and a 13-0 mark in over-all play. Stanford is 3-1 and 9-2 and has not downed UCLA south of the Tehachapi mountains in the past 18 games.

The Indians would undoubtedly settle for a split this weekend since they later host the Bruins in their own gym.

The games will also provide a showcase for All-America candidates Gail Goodrich and Walt Hazzard of the Bruins and tall Tom Dose of the Indians. The Bruins also have an underrated performer in 6-foot-5, 230-pound Fred Slaughter. His strength under the boards helps make up for the Bruins' lack of height.

UCLA and Stanford tied for the Big Six title last year and the Bruins took a 51-43 playoff victory for the right to compete in the NCAA tournament.

Stanford Coach Howie Dallmar says his team is out for revenge for last year's playoff loss. "We're as ready as we'll ever be," he said.

California (3-1) also journeys southward to take on USC (1-3) and Washington (1-3) battles Washington State (0-4) in more Big Six action.

The West Coast Athletic Conference is idle this weekend because of examinations.

Champ Joins Corporation

PATERSON, N.J. (UPI) — Middleweight champion Joey Giardello has signed with the brand new Nationwide Sports Promotions, Inc., for all of his fights and personal appearances, Promoter Lou Duva of Paterson announced today.

Duva is president of the new corporation which filed its papers in Philadelphia yesterday.

After Giardello goes through with his already contracted non-title fight against light heavyweight Herschel Jacobs at the Paterson Armory for Duva on Feb. 8, they will consider "several $100,000 offers," Duva said.

Outstanding challengers are Joey Archer of New York and Rubin (Hurricane) Carter of Paterson. Also ex-champions Dick Tiger of Nigeria and Terry Downes of England.

Signs With Raiders

The Oakland Raiders of the American Football League announced yesterday that Don Green, a six-foot, 200-pound quarteback from Susquehanna University, Selingsgrove, Pa., has signed a contract and will be tried out in a defensive halfback slot.

Speed Mark Broken At Riverside

RIVERSIDE (UPI) — Some of the biggest names in auto racing today take their best shots at a Riverside Speedway record qualifying time of 102.434 miles an hour posted yesterday by Fred Lorenzen of Elmhurst, Ill.

Lorenzen topped a list of 10 qualifiers for Sunday's $65,000 500-mile stock car race with his record-shattering performance over the 2.7-mile course in a 1964 Ford.

Scheduled to take the course today for qualifying runs were such famed Indianapolis and stock car champions as Parnelli Jones, A. J. Foyt, Troy Ruttman, Joe Weatherly, Glen (Fireball) Roberts and Paul Goldsmith, whose qualifying mark was shattered by Lorenzen.

Lorenzen was not the only one to break Goldsmith's qualifying speed mark of 101.620 set last November. Dick Petty of Randleman, N.C. in a 1963 Plymouth was timed in 101.737 miles an hour for the second best mark of yesterday's runs.

It seems to me . . .

by Lou Concilio

No, No, Don't Touch

Each time I reach for a cigarette, I suffer guilt feelings. It's tough to feel guilty sixty to eighty times a day. Bound to give a guy a complex, eventually. It's somewhat akin to the twing you feel when you jaywalk in sight of your disapproving child. Or, when you push that accelerator down past seventy on rain-slick 101. It is a compulsion of sorts, this yen for self-destruction.

Actually, though, our motivation of self-preservation is still strong as ever. Probably, the risks we take at every turn are merely manifestations of an inner need to dramatize a courage we'd like to possess, but doubt we have. We look at heroes in movies and on the idiot box constantly, and they seem little removed from our day dreams of id. I'll bet if we had that much rehearsal, we'd be big and brave, too.

I have always resisted statistics, in any form. This repulsion toward the neat number and the glib catalog has probably contributed to my expulsion from the ranks of the accounting purists. Having nowhere else to go, particularly in the automobile business, I became a manager, a job which usually defies scientific measurements. Now, I live by one rule alone—produce results, or else.

The immediate reaction to the ponderous and imposing report of the Committee of Ten on the evils of cigarettes was dreadful to behold. Millions of New Year's resolutions, 12 days late, were made fearfully. People lit a new fag surreptitiously, and puffed nervously, as if each puff might be the last. And, as predicted, tobacco stocks slipped a bit, along with rumors of still more plans for diversification by the companies to forestall certain ruin. Wish I had a few tomato cans filled with loot. I'd buy in right now, and get rich when memories fade, as they most certainly will.

I can't recall reading any endorsement of alcohol as beneficial to health and well-being. On the contrary, it has been universally condemned as a principal form of liquid Russian roulette. Yet, production is hard pressed to keep up with consumption, with the consequence that much of the stuff has barely time to settle in the barrels and bottles before it evaporates into fogs and hallucinations. But, knocking the Demon Rum has lost much of its original flavor, primarily from overexposure of familiar scripts, so we must take on new enemies.

I'd switch to cigars but I'm afraid the limited area of my office might drive customers out. Even the ones who might want to buy instead of complain. We're ready for anything at Ames Ford, though. An ash tray or two in every office—and, we've just bought four imposing urns, filled with 200 pounds of white sand, for those who must smoke while browsing on our huge showroom.

I'm scared though, just like the rest at Ames Ford. Even though I spotted 8 or 10 filled ash trays on the conference table of the Committee of Ten.

PLANNING COMPLETION OF NEW CLUBHOUSE

Marin Matosich, rear commodore of the Corinthian Yacht Club; Charles White, vice commodore, and Ed Wade, commodore (left to right), look at plans for the new clubhouse nearing completion on Corinthian Island. Matosich is chairman of the finance committee, White is chairman of the building committee and Wade is chairman of the reconstruction committee. The three men were unanimously re-elected to office by the membership. The clubhouse is planned to be in operation before Easter, in time for the racing season. New directors for the club are Fran Eagan, Richard Lowry, Allan Axford, Brooke Halsey, William Gilbert and Frank Walker.

MARCH OF DIMES BENEFIT

Bowling Tourney Leaders

Wayne Tobin and Lou Ahrens are the men's and women's leaders, respectively, in the March of Dimes Handicap Singles Bowling Tournament being held at Country Club Bowl, San Rafael.

There were 641 entries thus far in the tourney as of yesterday. The competition, which started Dec. 15, will end on Jan. 26.

Tobin is leading the men's division with a 734 three-game series, including handicap. Larry Giambastiani is in second place with 724. Mrs. Ahrens is leading the women with a 689 three-game series, including handicap. Kathy DeGard is second with a 653.

Forty-five merchants in Marin County have donated merchandise gifts worth from $5 to $25. Prizes go to the weekly leaders, in addition to the overall winners. This week's leaders for the men is Dan Burke with a 710, while Fay Scott is the women's leader with a 633.

Handgun Shooters Compete Sunday

The Tamalpais Revolver Club has invited all handgun shooters, both experts and beginners, to the first of its monthly tournament shoots which will be held Sunday at the San Rafael Police Range.

The match is authorized by the National Rifle Assn. and will start at 9:30 a.m. The range is located east of State Route 17.

Mayday Rocket Flare Pinpoints Location Of Troubled Skippers

STEVENS

Occasionally material comes to my desk that is of such interest and importance I hasten to pass it along to my readers. Such an item is before me as I write today's column. It concerns a safety device—a flare designed to pinpoint the location of a skipper or airplane pilot who has been downed and in dire need of rescue.

Called "The Mayday Rocket Flare," it has passed all tests by the various branches of the military and has proved effective in a number of actual rescues.

It weighs only four and one-half ounces and is so compact that it can easily be carried in a life jacket pocket and adds little to a pilot's emergency kit.

By actual test at night, this flare can easily be seen in all quadrants for a 25-mile radius (1,962 square miles). In daylight the Mayday Flare has a visibility of more than two miles. It burns from five to eight seconds, and—most important to my way of thinking, it burns OUT after descending a third of the distance to the ground or water. Neither extreme heat nor severe cold will deter the Mayday Flare from operating, and it reaches an altitude of about 70,000 feet. In short, concise English, these flares are tops.

IN CALIFORNIA these flares are authorized for emergency use only on boats and aircraft as emergency signaling devices and may not be carried on their person by hunters, hikers, fishermen, or in vehicles.

California State Fire Marshall Glenn B. Vance reported that the first state license covering signaling flares was issued by his office last Monday.

These devices are licensed under the strict California fireworks laws. Every emergency flare launching kit must bear the registration seal of the California state fire marshall. They may be sold only through state licensed outlets having a permit from the local authority where the retail outlet is located.

IT IS easy to understand the rigid restrictions. Wouldn't do to allow anybody and everybody to get a supply of these flares. The pranksters would have a gay old time sending up Mayday flares which might cause rescue teams to go to great lengths to find the whole thing was a false alarm.

But, personally, I am a bit disappointed that the flares are restricted to boats and airplanes. I have long favored some such device to be carried by the hunter and fisherman and hiker who might become lost in the wild sections of California or elsewhere. I was told that my suggestion was out of order — that the falling, still lighted flare might easily set the brush and forests afire. I agreed, but now there is a flare that is said to burn itself out completely long before it returns to earth.

OH, WELL, it's not for me to say. If this Mayday flare proves as good as it is touted, it is safe to bet that the powers that be will figure out a method whereby only a "right guy" can carry such a signaling device. Time will tell, eh?

As it stands at present, every guy or gal who owns a seagoing craft or pilots a plane will do well to purchase a set of these flares as soon as possible. The set consists of seven flares and a launching gun. The whole kit is about the size of a king size pack of cigarettes, with gun and all.

AFL All-Star Battle Should Be Wide-Open

SAN DIEGO (UPI) — The East and West squads went through their last full practice session yesterday for what promises to be a wide-open offensive American Football League All-Star Pro Bowl game Sunday.

Mike Holovak, who is coaching the East, and Sid Gillman, the West's coach, said yesterday they expect to see a lot of scoring in the game.

"Nobody can contain all that talent on the West for long," said Holovak, head coach of the Boston Patriots. "And I don't believe they'll be able to stop us, either."

Gillman, head mentor of the San Diego Chargers, said he felt the game would be almost a completely offensive one.

The West will be led by Charger quarterback Tobin Rote.

ECONOMIC PLANNER IS STUDYING MARIN

Advance Guard Begins Gathering Data For Stanford Research Institute Probe

E. C. Harvey, an economic planner who has worked for a public agency, the State of Pennsylvania, and private industry, General Dynamics Corp., has been quietly meeting with local officials and other influential persons in Marin County the past few days.

He is the advance guard gathering data for the $25,400 study the Stanford Research Institute has agreed to do on industrial development for the county.

The Marin County Board of Supervisors has put up $11,000 for the project, and private interests have made up the balance. The main aim is to improve the tax base county-wide, so the homeowner will not have to bear as heavy a load as he does now.

Harvey has been running into some problems, but said yesterday he usually finds similar problems on any job of this type. He said that much of the information he would like to have simply does not exist.

For instance, Harvey would like to know how much of a local police budget is spent protecting persons and property in a commercial or industrial area of a community, compared to the cost in the residential area.

Budgets are not broken down that way, and for the cost of the study, there is little chance special individual studies can be made in any great detail.

Officials are doing their best to help. County Assessor Bert W. Broemmel has agreed, using county data processing equipment, to try to break down the assessed valuation of the county by economic function, rather than by areas, as is usually done.

Harvey said, in a meeting with County Auditor-Controller Michael M. Mitchell earlier this week, he would try to produce figures showing possible secondary effects of having some industries or other developments locate in the county.

For instance, he said, a major industry, if it did locate here, might create the need for many more workers, thus causing a boom in low-rent housing. Such an increase of that type of population might cause more of a strain, in the long run, on the schools, welfare budget and other local services.

In many cases, Harvey said, researchers may have to go outside the county for information, citing studies in comparable counties or areas. He said he plans to take the early information, mostly about what further information is available, and then sit down with others in Palo Alto to map out the study program.

Youth Music Programs In U.S. Gaining

Young Audiences, a nationwide, non-profit booking service to bring professional musicians to schools, is growing in Marin County.

Last spring there was one Young Audience program at Davidson Junior High School in San Rafael. This school year three programs have been scheduled at Belvedere School Feb. 14, March 2 and April 10 and three at Adaline Kent School Monday, March 19, and April 23.

Mrs. Paul Haerle of 163 Holmes Avenue, San Rafael, hopes there will be more. She coordinates the programs and tells school districts and parent-teacher associations about them.

Though the booking service is free, the musicians must be paid. A day's appearance at the school for two performances before pupils costs $100.

P-TA or the district or any civic group may put up the money, Mrs. Haerle said. The programs usually emphasize one type of instrument, strings, brass or winds. Sometimes opera stars are featured.

It provides an exposure to good performances at an early age, Mrs. Haerle said.

Election Postponed

Election of new officers for San Rafael Federal Credit Union, scheduled for last night, was postponed due to lack of of quorum until 8 p.m. Wednesday.

Theater Group Takes On Surprise Realism

By BRUCE COLEMAN

Experimental theater took on added realism last Saturday at the Sausalito Little Theater when two players got into a squabble, one walked off the stage and the other tossed his script into the face of the audience.

The surprise action took place during presentation of the one-act play, "New York City: Songs and the Dream Syndrome," directed by Abe Kalish of Sausalito. It followed some fine comic lampoons of a beat poet, people in love and the psychiatrist.

Greg Landers had apparently not started on cue and, being prompted by Patricia Bond, shot back a testy answer. Miss Bond stalked off the stage, Landers tossed his script away, then tried to explain to the audience, "Let me tell you something about the theater . . ." as a co-worker eased him behind the closing curtain.

Mark Berman, author of a preceding play, "Old Folks at Home," and who had come from Wisconsin for the opening, sat in the audience and said, "Carry on." But this was the end.

Unfortunately, Landers, Miss Bond, Dan Coleman and Jetaun Fisher had three skits to go.

The play, along with "Old Folks at Home" and "Capriccio" by D. J. Coombs, are three of six prize-winners presented by the Original Drama Workshop. The three will be given again Saturday and Jan. 25.

"Snakes" by Jackson Burgess and "Majorcan Games" by Caryl De Faria, "The Preacher" by Burgess, all termed traditional type plays, and "New York City: Songs and the Dream Syndrome" by Bruce Feld will be presented tonight and Jan. 24.

"Old Folks at Home" is a story about five old men in an old people's home in the way of a coast-to-coast super highway. It dragged and did not come off to well despite strong attempts by the old men, Peter Pike, Harold Rogers, John Vigors, Miles Merians and Charles Uhl. Brad Burris of Tamalpais Valley directed and narrated.

"Capriccio," directed by Hop Waldteufel of Mill Valley, which had movement and good dialogue, centers around two men, Waldteufel and Jack Napton, playing chess.

Sausalito Little Theater, a community theater for 15 years, should be highly praised for giving young unknown writers a chance to be heard. And, let it be known, we will never forget the man who tried to get through the curtain saying, "Let me tell you something about the theater . . . ."

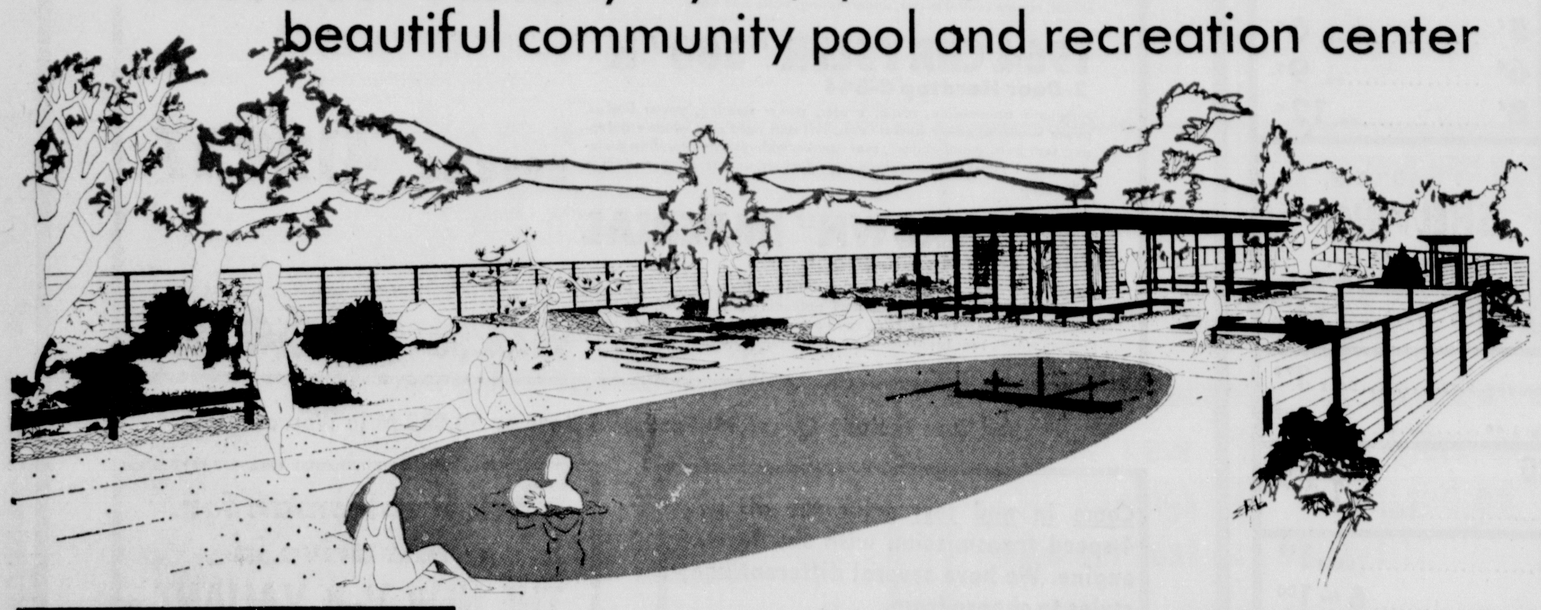
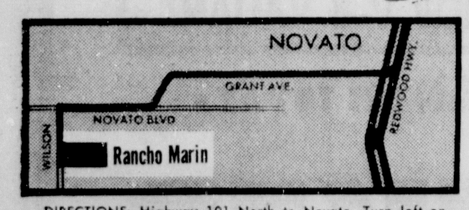
COMPLETELY NEW IN CONCEPT

Rancho Marin

not a subdivision . . . not a tract

Twelve distinctively styled, quality homes share a beautiful community pool and recreation center





DIRECTIONS: Highway 101 North to Novato. Turn left on Grant Ave. to Novato Blvd. Right on Novato Blvd. to Wilson Ave. Left on Wilson to Rancho Marin.

OPEN FOR VIEWING THIS WEEKEND

THE LOCATION IS IDEAL: CLOSE TO SCHOOLS • CLOSE TO SHOPPING • CLOSE TO THE FREEWAY

Here is the first really new concept in home development in many years. Rancho Marin is located on two quiet cul de sacs away from traffic, away from noise yet is part of an established community of fine homes. Only twelve families will share the pleasures of a tastefully landscaped community pool and recreation area. And, best of all, home buyers can select the home that best suits their needs: 3 or 4 bedroom 2 bath with choice of sunken living room or sunken family room, tar and gravel or shake roofs, plus all the features one expects in a custom built, modern home including fully equipped kitchens and wall-to-wall carpeting. You also have the services of a distinguished interior decorator to choose the decor you prefer. A fireplace, too, of course, and a secluded patio to provide casual comfort year 'round. Be the first to see them; compare Rancho Marin with any other homes being built in Marin today . . . you'll recognize true value. Two model homes will be open for your inspection this weekend.

SECOND SECTION Friday, Jan. 17, 1964 17

SKETCHES OF two knitwear fashions presented at showings of Italian knitwear fashions include, at left, a lacy boucle silk knit wedding dress, closed at the bosom and flaring out gently to a brief train and worn with an elaborate "nun's" coif of the same knit fabric. It is from the new Italian knitwear producer Mariselaine. Right is a cap-sleeved petunia pink knit coatdress with deep hem band in pale turquoise with knotted wool braid buttons. It is from Albertina.

Superb Cut Marks Baretta Fashions

ROME (AP)—Straight and fitted is the way Italian designer Baratta sees fashion for spring.

HIS COLLECTION, shown today in the Italian presentations for spring and summer, was so simple that only superb cut marked it as high fashion.

THE BARATTA silhouette was constructed along slim reefer lines. The waistline was smoothly defined. Skirts and sleeves were straight and narrow.

SET-IN belts or transverse midriff and hip seaming were the only special details for coats that were the most important part of this very tailored collection.

High waists were often suggested by front-rising seams and underscored by arched leather belts.

Gabardine and soft, unlined meltons were the important fabrics.

IN SUITS, the Baratta point of view produced long, fitted jackets in camel, gabardine, pique and brocade, all over plain black skirts.

Interesting pocket treatment consisted of vertical welts placed above big patch pockets.

Set-in sleeves were elbow-length in the lighter fabrics.

FOR COCKTAIL wear, the suame jackets appeared, but without sleeves, in crinkle silks, still over black skirts.

SOUNDS OF CHINESE NEW YEAR

The festive black-tie party at the Meadow Club given by the Marin Symphony Auxiliary on Jan. 25 will take for its theme Chinese New Year, and Mesdames Benjamin J. Baum, left, chairman; Maurice S. Salomon, auxiliary president, and Harrison M. Leppo, reservation chairman, find appropriate instruments for the occasion. A benefit for the Marin Symphony Orchestra, the dinner dance will begin at 7 p.m. Many no host tables are planned for the dinner hour. (Independent-Journal photo)

Pi Phi Will Host Sports Style Show

Marin County Alumnae of Pi Beta Phi have planned a pleasurable evening for Tuesday, at 8 p.m. at the Terra Linda Recreation Center, when they will present a winter sports style show and a ski film will be shown.

The Pi Phis have invited the Marin County Chi Omegas and Tri Delts to be their guests for the evening and also to share in modeling the fashions. Modeling for the Pi Phis will be Mesdames James D. Zogg, David M. Stewart and J. J. Gates. The Tri Delta models are Mesdames Myron Staab, David Hurd and Rodney Friedman. Mrs. John Bridge, Mrs. Ralph Bernhardt and Miss Chris Spindt will represent the Chi Omegas.

Mrs. William T. Lane Jr. is chairman of refreshments and hostess for the evening. Reservations chairman is Mrs. Murray B. Peterson.

Michael Dittmore To Claim Bride In Spring Ceremony

Mr. and Mrs. Alfred Cahen of San Francisco are announcing the engagement of their daughter, Lynne, to Michael D. Dittmore of San Rafaeal.

The bride-elect was graduated from Lowell High School and San Francisco State College. She is an assistant buyer with a San Francisco department store.

The future bridegroom, son of Mr. and Mrs. Owen H. Dittmore of San Rafael, was graduated from San Rafael High School and will be graduated in June from San Francisco State College, where he is president of Sigma Chi Delta fraternity. Mrs. Richard C. Ruffino of San Rafael is his sister.

The wedding will be a spring event.

SOCIAL WHIRL EDITOR ILL

Because Florence Donnelly is ill, her column, Marin's Social Whirl, will not appear in the I-J Women's Section until Tuesday.

CALIFORNIA DESIGNER James Galanos won a standing ovation for this bridal gown which spotlighted his new spring-summer collection shown in New York. The medieval wedding gown is done in a silk net appliqued with thousands of starched linen posies and leaves. Completing the costume is a wimple attached to the high-crowned headdress.

Stanley Searles To Claim Bride

Stanley Martin Searles of Mill Valley will claim Karen Niderost of San Francisco as his bride in a nuptial mass on Feb. 1 at St. Agnes Catholic Church in San Francisco.

The bride-elect, who is the daughter of Mrs. M. E. Conover of Ukiah, is a graduate of San Francisco State College and is now teaching at the Visitacion Valley Elementary School in San Francisco. She has one sister, Barbara Long of Ukiah, and two brothers, James Niderost who is with the U.S. Air Force in Utah.

The future bridegroom, who is the son of Mr. and Mrs. Stanley Searles of Manhattan Beach, Calif., is living with the Paul Fourmans in Mill Valley.

After his graduation from the College of Marin this month, he will continue his education at San Francisco State College. He served two years with the U.S. Army before entering college.

His brothers are John Searles of San Jose and Winston, Sterling and Peter Searles of Los Angeles.

San Carlos Couple Feted On Wedding Anniversary

The 56th wedding anniversary was celebrated by Mr. and Mrs. Henry Wade Mahany of San Carlos when their son and family, Mr. and Mrs. Edmund Mahany and Sharon Joyce entertained them with an intimate dinner at their home in Novato Jan. 11. Edmund Mahany is Novota City Parks and Recreation director.

The senior Mahany's were married in San Francisco Jan. 11, 1908 and moved to San Carlos. They were the eighth couple to settle there. Mr. Mahany was a charter member of the San Carlos Congregational Church and while he was treasurer, a $100,000 social hall was built, which now bears the name of Mahany Social Hall in his honor.

IN FESTIVAL COSTUMES

A dazzling array in jewel-toned colors of festival costumes from 14 countries was given its first Marin showing at yesterday afternoon's International Fashion Luncheon of the Sausalito Woman's Club. Pictured in the finale as they left the stage are club-member models. The women and countries whose costumes they wore were Mesdames Fred Baker, Israel; John Churchill, British Isles; Jan Dyk, Spain; Richard Phillips, Italy; Howard Sievers, Arabia; L. S. Balliett, Germany; Willard Hall, Scotland; James Burton, Ceylon; R. H. Zumwalt, India; Missy Camp, Ireland; Harry McVean, Greece; Stanley Cowen, Portugal; Robert Mayer, Switzerland and Charles Ashley, Thailand.

Welcome Wagon Has Installation

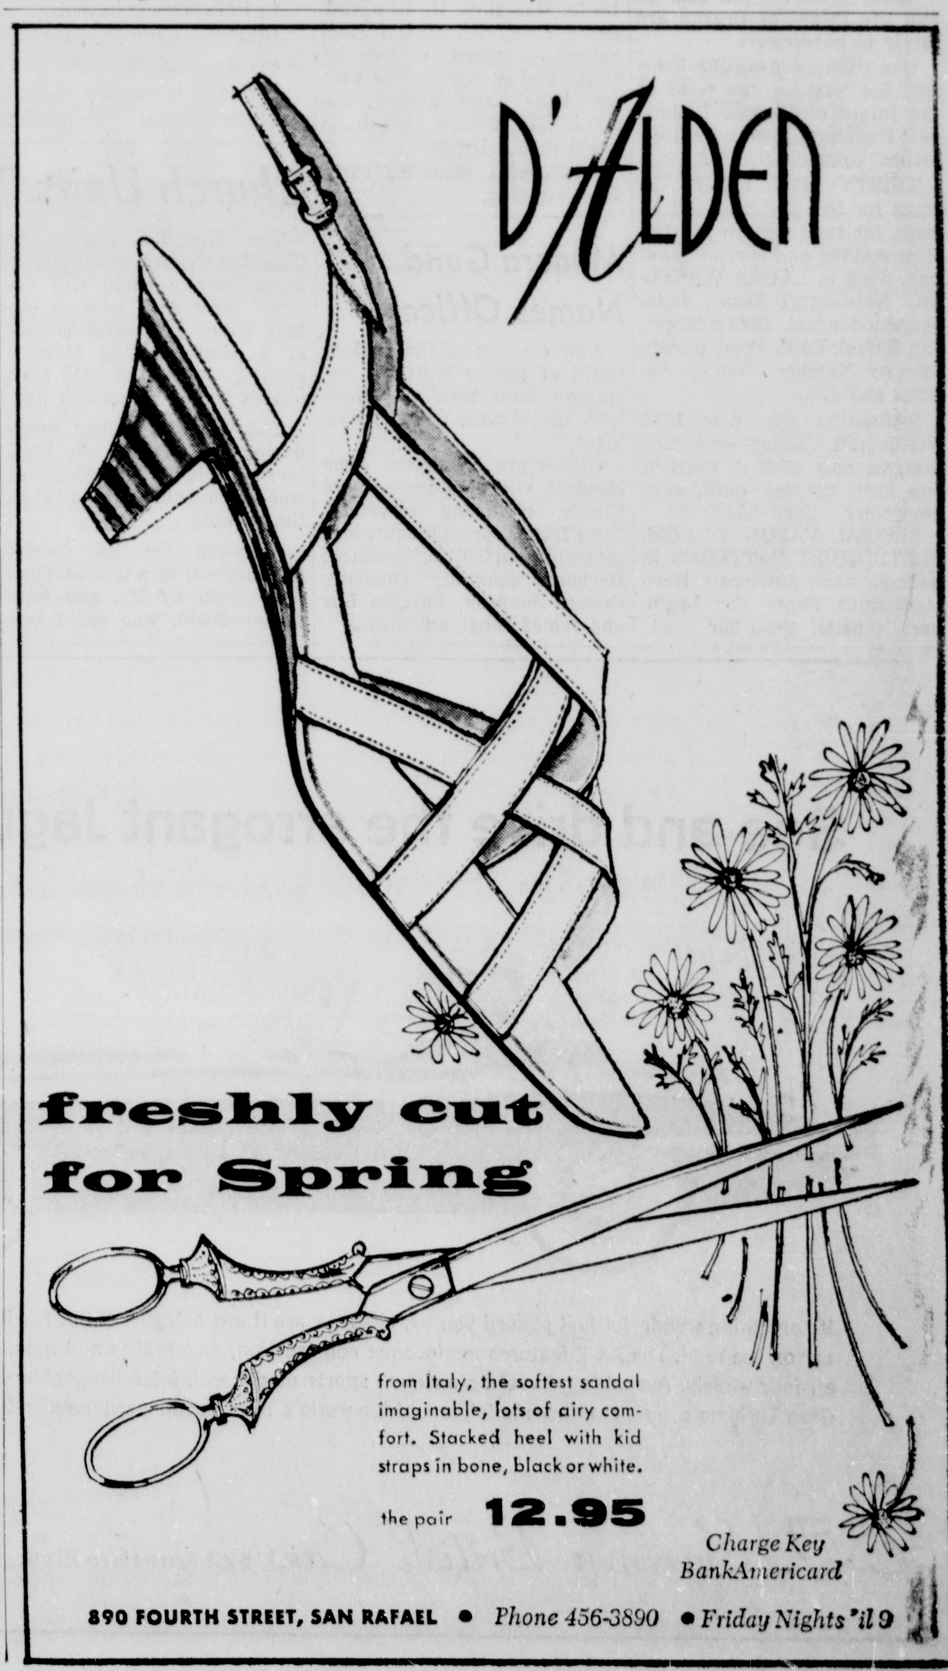
Mrs. Douglas McVae of Lucas Valley was installed as president of the Welcome Wagon of Marin in a recent ceremony which followed a Polynesian luncheon at Tiburon Tommies Restaurant.

Other new officers of the club, open to all new residents in Marin, include the Mesdames Roland Fanz, membership chairman; John Ross, program chairman; John Baker, hospitality; Dennis Carey, recording secretary; Richard Berryman, corresponding secretary; N. J. Mages, treasurer and Jay Solem, historian and publicity chairman.

Membership in Welcome Wagon offers a monthly luncheon with guest speakers, entertainment groups or a fashion show. Other activities include bridge, art, craft and sewing groups.

Rosemont Alumnae Will Attend Tea

Members of the Marin Branch of the Rosemont College Alumnae Assn. who will attend a tea on Feb. 1 in Mountain View are the Mesdames William Fries, Hugh Riley, Walter Slevin and Lorette Larson all of San Rafael.



LORREEN ABBOTT

Lois Wertheim Will Marry R. L. Candrian

Mr. and Mrs. Milton Wertheim of San Francisco have announced the engagement of their daughter, Lois Lee to Robert Lincoln Candrian Jr. The announcement was made at an informal cocktail party Sunday at the summer home of the future bride's parents in Sleepy Hollow.

Lois is a graduate of Lowell High School in San Francisco, and is attending Heald's School of Business.

Bob is the son of Mrs. Charles Locati of San Anselmo. He is a graduate of Sir Francis Drake High School and is employed in San Rafael.

An April wedding is being planned.

More And More Women Appear In Stock Brokerage Offices

By JOY MILLER

NEW YORK (AP)—"Stocks should be watched like a baby—never let out of your sight," says the investment expert with a knowledgeable chuckle. "They can change overnight."

That motherly little analogy sums up, as succinctly as anything, the quiet revolution that has been going on in Wall Street. It's something a woman would say—and did; specifically Lotte Kahn, account executive of a New York Stock Exchange member company and author of the recent book, "Women and Wall Street."

BUT IT WASN'T SO long ago, in the days when a "customer's man" meant just that, that a woman was as welcome in the board rooms of brokerage houses as watered stock in a Siberian coal mine during the Russian Revolution. If one did show up, and without a notebook—necessary to indicate legitimate business—her reputation was shattered.

Nowadays, says Mrs. Kahn, the cigar smoke has thinned out and these erstwhile men's clubs are no longer exclusively male. More than 2,000 women today buy and sell stocks and bonds on Wall Street, she says; more than half of all American stockholders are women.

THIS DOESN'T MEAN capitulation to the sex often considered capable only of coping with the household budget book. But there's no doubt another bastion of male supremacy is crumbling.

Mrs. Kahn's firm is a particularly cheerful example. In the main office in New York, where she's worked the last three years, there are about 40 registered representatives (formerly called customer's men) of which eight are women.

"This is a tremendous percentage," agrees the pleasingly-rounded, brunette mother of two college youngsters.

"BUT IN MY first office I was the only woman. The men were jealous and it became unbearable. I had to quit."

When she joined the Brokers Assn. in the spring of 1959, she was often the only woman present at meetings. "They'd have to say 'Lady and gentlemen' . . . Now things are changing rapidly. The field is getting bigger and bigger for women. Although there are still plenty of companies that won't take women, we're in it for good, that's sure.

"I HAVE TWO BITS of advice to women who are interested in entering the field:

"1. Be sure you can take the strain of the market fluctuations. If you're very emotional, or have weak nerves, it's no business for you.

"2. You have to be good at figures—and fast."

Mrs. Kahn says she's had a lifelong interest in the stock market. Her father was a well-to-do textile manufacturer in Germany, "but he never bought stock or real estate in his life. It bothered me that he kept so much in savings accounts for only a few cents interest."

After Mrs. Kahn and her husband, Alfred, now an international business consultant, came to this country in 1939 they operated a factory making closet accessories. He was president and she was vice president and treasurer. When they sold it 15 years later she went into a brokerage firm as a trainee.

"I TOOK THE examinations in 3½ months—you're not allowed to do it so rapidly any more. You have to pass them before you can be a licensed representative; you can't buy or sell securities on the New York Stock Exchange without it."

Then she had to start from scratch to build up a clientele. "You talk to friends and acquaintances and get recommendations. You get them if they see you're not just out for the commission. Well, I'm not high pressure. The hot tip isn't in my dictionary."

TODAY MRS. KAHN'S clients are 65 per cent men, 35 women.

"WOMEN ARE more trouble than men," says Wall Street broker Lotte Kahn of her clients . . .

Beverly Casperson Bride Of George H. Sutter Of Yreka

Stewart Memorial Chapel of the San Francisco Theological Seminary in San Anselmo was the setting on Jan. 11 for the wedding of Beverly Anne Casperson of Woodacre and George H. Sutter of Yreka.

The bride is the daughter of Mr. and Mrs. John Casperson of Woodacre.

Officiating at the noon double-ring ceremony was the Rev. Charles Orr.

Given in marriage by her father, the bride wore a full-length gown of white satin and lace.

Preceding the bride down the aisle were Carolyn Della of Fairfax as maid of honor and the bridegroom's sister, Annie Sutter of Yreka, as bridesmaid. They wore ballerina gowns of emerald green satin.

Also gowned in dresses to match the honor attendants were flower girls Cynthia and Alameda Kinaly.

Leigh Kitto of Yreka acted as best man, and ushering guests to their seats were the bride's brother, Danny Casperson of Woodacre and Richard Sutter of Sacramento.

A reception followed the ceremony in the Fireside Room of the First Presbyterian Church in San Anselmo.

The bride was graduated from Sir Francis Drake High School and Marinello Beauty College. She is also the sister of Carl Casperson of San Francisco and John and Steve Casperson of Los Angeles. Mrs. Ralph Flack of San Francisco and the late Mr. Flack and the late Mr. and Mrs. John L. Casperson of Pasadena are her grandparents.

The bridegroom, son of Mr. and Mrs. George Sutter of Yreka, was graduated from Yreka High School and is associated with his parents in the upholstery business. He is also the brother of Thomas Sutter with the U.S. Navy in Japan and Mrs. Della Goodman and Billie Jennings of Medford, Ore.

Following a wedding trip to Lake Tahoe, the newlyweds will reside in Yreka.

Terra Linda Hills Inspire New Art Guild President

MRS. DERVIN

The Novato Art Guild has elected Mrs. Jacqueline Dervin as president. She was a charter member of the guild and started painting when "Inspired by the hills around Terra Linda" where she lives.

The Novato Art Guild is open to anyone interested in art discussion, art programs and exhibits, Mrs. Dervin said. "The guild encompasses all forms of non-objective, and also crafts, including collage and mosaics," she added.

"To further stimulate the principles of fine art, with accent on assisting the beginner, fellow artists participate in group critique and the jurying of member works. All juried work is exhibited monthly in local business establishments," said Mrs. Dervin.

Mrs. Dervin has lived in Marin County seven years and has three children, John, 17; Nancy, 8, and James, 6. Her interests lean toward participating sports, nature and, of course, art.

The Novato Art Guild is now preparing for a large exhibit in July. The Torrance Gallery in San Anselmo has issued the invitation to the Novato Guild.

Serving with Mrs. Dervin for the year are Mrs. William E. Weber, vice president; Mrs. Irms Waller, secretary, and Mrs. Alfred J. McElroy, treasurer.

Mrs. Orda Floyd of Novato and Mrs. Katharane Johnson, 25 Ancha Vista Ave., San Anselmo, will volunteer information on joining this working group of painters and craftsmen.

Caroll Pollard Is Engaged

Mr. and Mrs. Charles E. Pollard of Novato are announcing the engagement of their daughter, Caroll Vida Pollard, to Richard Michael Baraco. The engagement was announced at a party for the immediate family at the bride's home.

Caroll is a senior at Novato High School and is a member of Novato Assembly No. 194, International Order of Rainbow for Girls. Her grandparents are Mr. and Mrs. C. E. Bowman of Pollack Pines, Calif.

The future benedict is the son of Mr. and Mrs. E. C. Baraco of Novato, brother of Edwin Baraco Jr. of San Francisco and the grandson of Charles Kersten and the late Conrade Baraco of San Francisco. He graduated from Novato High School and attended College of Marin.

A definite date has not been set for the wedding.

ENGAGED TO WED are Caroll Vida Pollard of Novato and Richard Michael Baraco.

Volunteers Asked For Agency's Work

Office volunteers to help with requests to the Marin County Society for Crippled Children and Adults are needed now, says Mrs. Frank J. Keaton, office volunteer chairman.

Good typists are the main need now, she said, but volunteers are also needed to answer the telephone and to help with filing. Mrs. Keaton said that volunteers even for one afternoon a month, from 12:30 to 3:30 p.m., would help continue and expand the services of the agency. Persons interested may contact her.

FUN AT ALPINE MEADOWS

Taking advantage of the snow for a pleasant outing at Alpine Meadows are the Frederic S. Coolidge family of Kentfield—Tribly and Sarah with their father. The family enjoyed skiing and fun while Mr. Coolidge, a Bay Area architect who designed the Alpine Meadows Lodge, toured the four houses of his design under construction in the Bear Creek Assn. area there.

Terra Linda Guild To Install Officers

The installation of officers of the Terra Linda Guild of the Louise A. Boyd Natural Science Museum will be held at a luncheon on Tuesday at Peacock Gap Country Club. New officers and chairmen are Mesdames Franklin R. Harwood, president; Homer Cherk, vice president; Leo Noah, secretary; Phillip Baker, treasurer; Joseph Williams, staffing.

Past president Mrs. John Morowski announces that the guild contributed $1,111 to the museum from its various fundraising activities for the year.

The guild will welcome its new member, Mrs. Howard Mothersill. Mrs. Thomas Umphreys is chairman for the luncheon.

Marin MAGAZINE
Bright reading for the whole week

Featured this Saturday:

That steel platform you may or may not have noticed on a knoll just north of San Rafael is home base for some of Uncle Sam's deadly NIKE Hercules missiles, a major factor in our defenses against surprise air attack. Independent-Journal reporter Ross Davis has written the story of those missiles and the men behind them for tomorrow's I-J Marin Magazine.

Ziggy, the talented and popular chimp at the Louise A. Boyd Natural Science Museum, has a problem. He needs a larger cage. But otherwise, he is content and flourishing in his new home where he shares with Easter the seal and Seba the mountain lion the honor of being the museum's prime attractions. Tomorrow's Marin Magazine will report on Ziggy.

The youth who decides upon a career in show business is selecting a long, hard road. In tomorrow's I-J supplement, Marin Magazine editor Don Keown writes about one Marin youth who chose that road. Redwood High School graduate Robert Talmadge tells what it is like to struggle for recognition and advancement in the ranks of the many hoping for musical comedy stage success.

Marin's own magazine . . . picturing and reporting life in Marin today . . . personalities, recreation, coming events, book reviews, gardening, music, home improvement, weekly TV log. A week of good reading. Look for it, Saturdays.

CONSULTATION—A knotty problem in the score of Gian Carlo Menotti's "Death of the Bishop of Brindisi" is clarified by Winifred Baker for pianist William Clark and soprano Gwen Curatilo. The dramatic cantata will receive its West Coast premiere Feb. 1 at 8 p.m. in Angelico Hall, Dominican Hall, Dominican College, San Rafael, under the baton of Mrs. Baker.

Marin Is Locale For Coast Premiere Of 'Brindisi Bishop'

Marin County will be the locale of the West Coast premiere of Gian Carlo Menotti's widely acclaimed "Death of the Bishop of Brindisi," Winifred Baker announced today.

This work by a leading modern composer will be presented Feb. 1 at 8 p.m. in Angelico Hall, Dominican College, San Rafael.

Performing will be the Winifred Baker Chorale, Orchestra and Children's Chorus, the Davidson and Santa Venetia Children's Choruses and soloists Gwen Curatilo, soprano, and Byron Jones, baritone, with William Clark at the piano.

The Children's Crusades of the 13th century provide the theme of the cantata. Swept by some mysterious impulse, tens of thousands of children marched across Europe, confident that they were called to free the Holy Land from the infidel. They died by the thousands in storms and shipwrecks. Other thousands were sold into slavery. Only a handful returned to their homes.

The Bishop of Brindisi, who blessed one of these groups of children, asks himself as he lies dying, "I blessed them to their doom . . . was it God's will or my own folly?"

The cantata received its world premiere in May, 1963, at the Cincinnati May Festival and its Atlantic Coast premiere under Erich Leinsdorf at the Tanglewood Festival last summer.

Unanimously hailed by critics as the "most mature and exciting work yet done by the composer of 'The Medium,' 'The Saint of Bleecker Street,' and 'Amahl and the Night Visitors,'" it won for him an ovation greater than any other in his long career.

Almonte Club Elects Officers

Frank Shirado was re-elected president of the Almonte Improvement Club Wednesday night for a one-year term. Herbert Davis was elected vice president; Edward Prosch, treasurer, and Mrs. Rose De Martini re-elected secretary. A nominating committee headed by Davis and Edward Walsh was appointed to fill out the board of directors.

The club, said Mrs. De Martini, asked for bids for the reshoring of the clubhouse at Almonte Boulevard and Wisteria Way.

In addition, the club will ask bids for culvert and water drainage for behind and on one side of the club where water is undermining the building.

A young Canadian named Lyman C. Bryce, who founded the Petaluma egg and chicken industry in 1878, developed incubators and brooders that are still in wide use throughout the world.

MARIN FILM FARE

'L-Shaped Room' Back On Screen At Novato

By LES DARD

Here's current and coming fare for Marin's movie theaters this weekend:

NOVATO THEATER

Back with us on Sunday is "The L-Shaped Room," a superlative British film well worth seeing if you missed it first time around.

A stream of life so realistic and so compelling moves through this picture that it easily rates among the finest British imports.

Leslie Caron achieves dramatic triumph as the brave little French girl who comes to a London slum to bear her illegitimate baby.

The oddly-shaped room she rents proves a weird world of bizarre personalities. In their remarkable delineations this film achieves special charm.

Tom Bell and Brock Peters have major roles.

Laurence Harvey and Lee Remick star in the co-featured "Running Man," a fast-paced melodrama about a man playing dead to collect insurance.

101 DRIVE-IN

Another happy return is "Auntie Mame," a refreshing comedy starring Rosalind Russell and a zany cast of characters.

Auntie Mame is a frivolous woman who maintains a salon full of happy types and has one boundless passion: the care of her young nephew.

How she raises him makes for a very big comedy, one of the biggest box office attractions its first time around. Two hours of fun, in color.

Teamed with it at the 101 is tight, suspenseful adventure in "Mystery Submarine." The setting is World War II. The British capture a German sub and use it to spy on a "wolf pack." A real thriller starring Edward Judd and James Robertson Justice.

SEQUOIA THEATER

Prepare yourself for laughs come Sunday, when "The Wheeler Dealers" moves in. It's one of the funniest and most impudent comedies in months.

The world of big money gets the brunt of most humor, but there's plenty left for other American mores, from Texas to New England.

James Garner stars as a self-made, self-styled Texan with a thirst for money.

To impress co-star Lee Remick, he buys a fancy French restaurant and a collection of impressionist paintings.

He wheels and deals from one sharpshooting operation to another, and can be saved from trouble by a Texas trio that follows him around in a plush private plane: Phil Harris, Chill Wills and Charles Watts.

FAIRFAX THEATER

Here for a fourth week is "Lawrence of Arabia," which won the best picture Oscar and six others last year.

It is the powerful story of T. E. Lawrence, mysterious British lieutenant who somehow won the respect of Bedouin tribes and led them victoriously against the Turks.

A film of tremendous scope, it pictures the desert Middle East as never before. And the great photography is matched by dramatic performances.

Peter O'Toole makes the title role come to life with majesty and human qualities as well. Alec Guinness is excellent as Prince Feisal, as is Anthony Quinn as an egotistical leader. Omar Sharif gives authenticity to his role as an Arab leader who is closest to Lawrence.

RAFAEL THEATER

The audience gets to play the guessing game in "Charade," held over. It's a delightful romantic comedy, with suspense added.

Not to mention stars Cary Grant and Audrey Hepburn.

The story is absurd, but fascinating, and odd characters, sophisticated dialogue and Parisian backgrounds in color make it top entertainment.

News of her husband's death brings Audrey back from the Alps. She finds her murdered spouse had sold off all the family assets, leaving her penniless.

But three criminal types think she's hiding $250,000 her husband owed them. They are unhappy—and she's terrified.

Cary Grant steps in, and although his own motives are suspect, manages to help Audrey and delight the audience as well.

TAMALPAIS THEATER

"Kings of the Sun," now showing, is one of Hollywood's first attempts to depict the fascinating world of the Mayans, who inhabited Central America 1,000 years ago.

Yul Brynner, George Chakiris and Shirley Anne Field star.

The Mayans were an intriguing mixture of intellect and savagery.

This story tells how a young Mayan king is driven from his Yucatan kingdom. He moves his people to what is now Texas, and of course finds new problems.

TIBURON PLAYHOUSE

Burt Lancaster plays a man whose world is suddenly divided in "The Leopard," showing through Sunday.

The setting is Sicily in the 1860s, following Garibaldi's revolution.

Lancaster plays a Sicilian prince.

Outwardly, he accepts the adjustments he must make to a new way of life. He even arranges the marriage of his favorite nephew to the voluptuous daughter of the town's bourgeois mayor.

Inwardly, he despises those who are beneath him socially.

Co-featured is one of Peter Sellers' best comedy efforts, "Only Two Can Play."

LARK THEATER

The British "Lord of the Flies" is held a fourth week. Based on the novel by William Golding, it is—in his words—"an attempt to trace defects of society back to defects of human nature."

A group of boys being evacuated from Britain are stranded on an uninhabited island when their plane crashes.

They try to set up a government, but fight over leadership.

The conflict brings tension and terror. Most of the boys regress to savagery, and hunt each other as they did animals.

Display Of Photos

"Some Images of Chinatown," a collection of 40 photographs by Hal Roth of Mill Valley, is on display at the San Francisco Museum of Art through Feb. 9.

GUILTY CONSCIENCE?

When you want to sit and read a good book, does a guilty conscience prod you to weed the garden? Or fix a gate? Or do any of a householder's hundred-odd chores?

Do you dream of greater leisure . . . of more time to do the fun things of life . . . to play golf . . . to travel . . . to read a book . . . or just to sun bathe beside the pool? If householder's chores are standing between you and the realization of your dreams, *then read this advertisement carefully.*

You Can Make These Dreams Come True . .

The cure for your guilty conscience is to eliminate the chores. And that's just what happens when you live in a Condominium. With neighbors to share the costs, you hire out the gardening, the pool service, the building maintenance. It costs surprisingly little. And suddenly somebody else is doing the work and you are free to enjoy it all.

You are the "Chore-free" owner . . .

. . . yet you retain all of the advantages of income tax deductions and equity accumulation. You buy, own and sell with your very own grant deed, plus an undivided proportional interest in the land, swimming pool, social building and common areas. Top quality financing . . . 5¾% interest to qualified buyers. Or secondary financing is available if cash is the problem.

All in One Loan . . .

In home buying there are many "extras" to worry you . . . carpets, drapes, refrigerator, laundry equipment, garden installation. Every one of these extras is included in your basic Condominium loan at the low 5¾% interest rate.

Use the Equity from Your Present House

If funds are frozen in your present house, we will guarantee its sale at a pre-agreed price. No uncertainty! No delay! Buy your Condominium residence today confident that funds will be available when you need them. Ask our Salesman for details.

Now is the Time . . .

. . . *to investigate Comdominium ownership. Visit East Harbor Estates and see what a lovely residence may be yours . . . and for so little.*

Our Sales Manager, Bob Blake, will gladly mail an informative brochure detailing answers to many of your questions on Condominium ownership.

One bedroom units with large living rooms and modern built-in electric kitchens start at $14,950. Also 2 bedroom/2 bath units from $18,950. A few very large 3 bedroom homes with fireplaces and private sun deck from $24,650.

VIEW HOMES IN THE ROLLING HILLS OF MARIN

3 and 4 Bedrooms • 2 Baths • Family Room

PRICES START AT **$32,000**

BEST FINANCING TERMS AVAILABLE

Nestled in the rolling hills of Marin, overlooking the beautiful bay, these magnificent homes present an exciting new adventure in luxurious living. Unique new designs offer a multitude of choices for your comfort and pleasure. In a most interesting plan, an entirely new concept in home design, the activity room and guest room are located in a separate area of the home . . . insuring absolute privacy. For gracious hospitality, some plans have formal dining rooms . . . with a step down to the living areas and family rooms. The fireplaces are large, distinctive and attractive.

But . . . WHERE you live is just as important as HOW you live, and this complete community offers you every city advantage . . . almost at your doorstep.

The regional shopping center includes Purity Super Market, banks, drugstore and restaurant, and others. Under construction is the Emporium's new installation and coming off the plans board shortly will be Roos-Atkin's new location. In addition are churches, medical and dental facilities and a well equipped hospital.

Minutes away is the Marin County Civic Center, a Northern California landmark designed by Frank Lloyd Wright.

Your Children, no matter what age (elementary, junior and senior high), are off to school and back again with no commuting problems.

There are recreational activities for the entire family. You and your children will enjoy swimming, golfing, boating, horseback riding, Pony and Little League baseball, and Pop Warner football.

Driverless Auto Rams Firehouse

A driverless car rammed into the Corte Madera firehouse yesterday at 3:15 p.m. and sheered off a wood and stucco column between the two firehouse doors.

The damage was estimated at $500 to the firehouse by town Mgr. Arthur H. Brandow.

Helen C. Gradisar, 50, of Los Altos, parked her car at the Texaco Station opposite the firehouse. She went to make a telephone call and the car started rolling down the incline and into the firehouse, police said.

Police did not cite Mrs. Gradisar, although Sgt. David McIntosh said she had left her gear shift in the drive position and had not set the handbrake.

HOW TO KEEP WELL

By DR. THEODORE R. VAN DELLEN

Severely Cold Climate Presents Special Problem To Tots, Aged

VAN DELLEN

Every winter, the climate in some parts of the world becomes subarctic. Severe cold presents a special problem to infants and the elderly whose body temperatures are likely to drop to alarmingly low levels in such an environment. The British refer to this condition as accidental hypothermia and they regard it as more dangerous than frostbite.

Babies need constant warmth day and night during the first few weeks of life. This may not be easy (especially in England) when the parents cannot afford to heat the home at all times. The fire goes out in the early morning hours and gas or electric heaters are turned off for economy's sake. Parents accustomed to sleeping in cold rooms may open windows without realizing the effect on the new baby.

OTHERS BATHE the infant in lukewarm water in a cold room. The condition is not easy to recognize because these cold children lie still and serene. Some whimper and refuse to nurse. The skin is puffy, cold, and hardened in some places.

The rectal temperature usually is below 90 degrees F. An editorial in the British Medical Journal says hypothermia often goes undetected because the ordinary thermometer does not register temperatures below 95 degrees F.

ELDERLY VICTIMS are likely to be senile and live alone in badly heated rooms. Many refuse to dress properly or are inclined to remain in bed in chilly quarters, without proper bedding or night clothing. They look ill under ordinary circumstances and, as a result, their true state is easily missed. In addition, they may not complain because they are sluggish mentally. The skin feels cold and doughy; the limbs are motionless and the muscles rigid. The body temperature often is between 70 and 90 degrees F. This may explain why so many of the elderly prefer living in the south in winter months.

English physicians point out that hypothermia is a bigger problem than is realized. It is not confined to stranded mountaineers or shipwrecked mariners. Nurseries and nursing homes should be heated adequately when the weather is deadly cold.

(Dr. Van Dellen will answer questions on medical topics if stamped, self-addressed envelope accompanies request.)

SCIATICA

G. S. writes: I have intermittent sciatica. Why is it that pain runs down the left leg at times and the right one at others?

REPLY

Pressure on the sciatic nerve from a herniated disk or from arthritis may be responsible for sciatica. The site of pain would depend largely on what area of the root of the sciatic nerve is compressed.

DIGESTIVE AIDS

W. F. writes: What do amino acids come from? How do they help older people?

REPLY

They are the constituents of protein. When meat is digested

Sausalito Library Funds 'In Order'

Sausalito library trustees Wednesday looked into their 1963-64 pocketbook and decided they are "in order" and that their budget is not overspent.

"We will be available to meet with the city council at the council meeting," said Mrs. James J. Carroll, board president. The council is to review library finances following a request made by Councilman Michael Harris who said the library was "running low."

Goldwater Aide To Talk In Marin

Piedmont attorney Gardiner Johnson, member of the California Advisory Committee for Sen. Barry Goldwater, will speak Tuesday night at the Marin County Civic Center.

He will address the Marin County Young Republicans in the county supervisors chambers at 8 p.m.

A San Francisco lawyer for more than 35 years, Johnson is past president of the California Republican Assembly. He was president of the San Francisco Bar Assn. in 1958 and president of the Commonwealth Club in 1958 and 1959.

Clifford A. Gerstner of Greenbrae, president of the Marin Young Republicans, announced that the public is invited to hear Johnson.

State School Loan Agency Running Low

SACRAMENTO (CNS)—The State Allocation Board, which loans money to school districts for classroom construction, may run out of funds before a new bond issue can be approved in June but few, if any, delays in approving construction applications are anticipated.

The last bond issue submitted to the voters for school building aid loans, in 1962, was for only 200 million dollars. Gov. Edmund G. Brown's administration had been criticized at that time for having too many bond issues—about one billion dollars — for the ballot and the school bond issue was reduced.

It's expected the bond issues to be submitted to the voters in June of this year will total about 300 million dollars. The bond issue will be considered at the special session of the legislature in March.

Meanwhile, the board said the use of portable classrooms is increasing throughout the state. The new type classrooms are truly portables, with one firm guaranteeing to move the rooms anywhere in a school district for only $400. They can be moved in less than a week. Older style portables cost about $2,000 to move.

Most portables presently being purchased by districts cost nearly as much as regular classrooms. A recent bid was approved for portables at a price of $13.65 per square foot. This is well under the board's limit of about $15 per square foot for classroom construction.

It was estimated at one time several months ago that school districts were in the process of purchasing about 100 portable classrooms.

There has been considerable discussion of the possibility of selling the portable classrooms directly to the state, with the state then leasing the rooms to school districts on a lease-purchase basis.

Stanford Goes Over Its Goal Of $100 Million

SAN FRANCISCO (AP)—Stanford University said yesterday it has exceeded its 100-million-dollar goal in its PACE fund-raising campaign.

President Wallace Sterling told a news conference $109,235,101 was raised by Dec. 31. He said he thought it was the largest single capital fund campaign ever conducted by a university.

The campaign will continue until all 75,000 Stanford alumni have been contacted. April 18 was the deadline set when the three-year fund-raising effort was launched as PACE—Plan of Action for a Challenging Era.

The 109.2 million dollars includes a 25-million-dollar incentive grant from the Ford Foundation, which pledged one dollar for each three raised from private sources.

Elk Scholarship Bids Forwarded

Applications for the $115,000 Elks National Scholarships have been forwarded to all Marin County high schools, College of Marin and Dominican College, San Rafael Elks Club reported today.

High school seniors and college students up to their senior year are eligible. In addition, the San Rafael lodge will add $250 to each of two awards, officials said.

The contest is judged locally Feb. 24. State judging is March 1 and national judging follows.

Attendance Record Set For Bridge

By JOE CASTRO

The Golden State Regional in San Jose last week set a new attendance record for the number of people playing bridge in one room in the history of the American Contract Bridge League.

Saturday afternoon there were 746 tables in the San Jose fairgrounds auditorium. That is 2,984 people playing bridge at one time.

The finest performance among Marin players was turned in by Mr. and Mrs. James C. Myers of Kentfield. They were 14th over-all in the four-session Open Pairs championship with 836 teams entered.

Lew Mathe and Ron Van der Porten, two members of the United States team that played in the World Olympics of bridge, were only eight points ahead of Mr. and Mrs. Myers after the four sessions.

Other Marin winners were: Dr. and Mrs. Paul Stillson of Tiburon were second in the afternoon qualifying session; Mrs. Mildred Mazza of Greenbrae and Mrs. Margarite Tognoli of San Rafael, fourth; Ludovica Bigelow of Belvedere and Kenner Foote of Kentfield, fourth; myself partnered with Stewart Winn of Oakland, fourth.

Sunday afternoon Mr. and Mrs. Edward Foehr of San Rafael won fifth over-all among 184 teams.

Mosk Asked For Ruling On Initiative Campaign

SACRAMENTO (AP) — Atty. Gen. Stanley Mosk has been asked by Secretary of State Frank M. Jordan to rule whether state officials can campaign against a proposed initiative.

The request grew out of repeated statements by Gov. Edmund G. Brown urging Californians not to sign petitions to qualify an initiative measure that would repeal the Rumford housing act.

Jordan, a Republican charged that the Democratic administration has acted to "sabotage" the initiative.

"If we are going to live by the constitution, which is the basic law of the people of California, we have to know whether the constitution means what it says, and says what it means," he wrote Mosk.

"It appears to me the oath of office taken by Governor Brown precludes him from urging, and directing his state officers, to oppose an inherent right of the people, namely, the right of petition, and the right to submit an issue to the electorate, particularly with the taxpayers' money."

Brown, at his Tuesday news conference, defended the initiative process but said that he had the right to urge people not to sign petitions.

Jordan said:

"I want it clarified by the attorney general as to whether the government on public funds can dictate the process of law making, or whether the people of the state retain their rights under this constitution without being influenced by propaganda through public taxes."

The veteran secretary of state noted that state officials have sworn they will "support and defend" the constitution and that they will "well and faithfully" discharge their duties.

Jordan asked Mosk:

Is the governor violating his oath when he urges all state department heads to use their influence to stop the proposed amendment before it can qualify for the ballot?

Two-Act Comedy Set By Club In Novato

The Novato Community Club will present Norman Krasna's two-act comedy "Who Was That Woman I Saw You With?" Feb. 28-29 and March 6-7 at the club, Machin Avenue, Novato.

Eric Kollgaard, director, said tryouts have been held and the cast selected.

Two Red Hill School Site Plans Studied

The Citizens Architectural Advisory Committee of San Anselmo School District Wednesday studied two plans for development of the proposed Red Hill school site near Sunny Hills Home.

Chairman Nelson King said one plan, presented by architect Martin Rosse, Tiburon, was for utilization of the full site, and the other a more compact area for buildings, parking, play grounds, and access roads.

He said cost advantages were discussed, but no figures are immediately available. Mrs. Doris Harnsberger, district board trustee, will address the committee Wednesday at Isabel Cook School on long range school district plans, King said.

He said date for further consideration of the Red Hill site has not been set.

Science Field Trip

About 30 Tamalpais High School Science Club members and students from electronics, physics and chemistry classes will make a field trip Feb. 1 to the University of California radiation laboratory and the mining metallurgical department at Berkeley. The students will leave at 8 a.m. and return at about 4 p.m., according to Gerald Vanoni, science teacher and advisor.

Strawberry Rec Receives First Boat

Strawberry Recreation District directors Wednesday were offered and accepted $250 from the Strawberry Cove Yacht Club toward the purchase of a boat.

George Lopes of Strawberry, representing the club, made the offer saying his club is interested in seeing more boating activity in the area and his club will offer the district boating instructions.

Type of boat and where it will be berthed remain to be determined. Russ R. Lloyd, director, was appointed to work with the club to see what the next step will be. The district now has a swimming pool and club, a ball diamond and a five-acre park. It will be the district's first boat.

In other business the board announced it will try to improve relationships with various organizations interested in district activities and will see about working with the newly-incorporated Srawberry Youth Sports, Inc., which includes Strawberry Little and Pony leagues.

L. J. Smith was elected chairman of the board for a one year term, succeeding Lloyd. Other officers elected are Arthur R. Senter, vice chairman, Patricia M. Gowen, re-elected secretary, and C. G. Bush, property manager.

Every 1,000 feet below the surface of the earth, the temperature rises approximately 15 degrees Fahrenheit.

Researchers Say Radioactive Element Found In Cigarettes

BOSTON (AP) — Two Harvard researchers said yesterday they have found a radioactive element in cigarette smoke which may be a cause of lung cancer.

Drs. Edward P. Radford and Vilma R. Hunt of the Harvard School of Public Health, described their report as the first to suggest that radioisotopes in tobacco are involved in the production of lung cancer.

While it has been shown that ionizing radiation can produce cancer in man, Radford said, "We cannot say at this time that we have proved that radioactivity is a cause of lung cancer."

Radford and Mrs. Hunt said they found traces of the element polonium in tobacco. They determined that polonium attaches itself to smoke particles and is carried into the bronchial tubes and lungs.

Polonium may constitute a significant initiator of neoplasia—abnormal growth—in the bronchial epithelium, lining, of a cigarette smoker, their report said.

Radford told a news conference that he and Mrs. Hunt are continuing their research in an effort to determine "the role polonium may play as a cancer producer."

A conclusive test, Radford said, would be to remove polonium from cigarettes and see what effect, if any, it would have on the incidence of lung cancer among smokers.

Separating polonium from the smoke would be a nearly impossible task, Radford said.

Therefore, the only effective filter would be one that removed all the smoke, leaving the smoker to inhale warm air, he said.

It would probably be more practical to grow tobacco that would absorb little or no polonium from the soil, he added.

He said the U.S. surgeon general's committee on smoking which issued its report last week, had received a report on research being done on polonium. It was mentioned in the report as an area in which more research was necessary.

Radford and Mrs. Hunt said they found in autopsies on seven cancer victims that there were significant differences in the amount of polonium present between the five smokers and two nonsmokers.

The concentration of polonium in lung tissue was five times greater in the five smokers, Radford said.

Prosecutor Bows Cut In Butte

OROVILLE (UPI) — Asst. Dist. Atty. Augustus Noland of Butte County, accused of trying to tamper with a jury list, submitted his resignation to Dist. Atty. Lucian Vandegrift Wednesday.

Earlier in the week the the Butte County Grand Jury investigating the alleged jury tampering recommended that Nolan resign.

Noland was accused of requesting the removal of names of persons who had voted against his cases in previous trials from a prospective jury list.

Installation Thursday

Installation of officers of Mill Valley's Blythedale Rebekah Lodge will be held Thursday instead of last night as was reported incorrectly in the Independent-Journal. Ceremonies start at 8 p.m. at the Odd Fellows Hall and are open to the public.

Woman Awarded Bias Verdict

SAN FRANCISCO (UPI) — A superior court jury has awarded a Negro woman $1,250 in what was believed to be the first jury verdict involving racial discrimination in Bay Area apartment rentals.

The panel awarded the sum to Miss Doris Thomas, who said she was refused an apartment because of her race.

The defendants, Mr. and Mrs. Kostas Paxinos contended that no apartment was available.

Miss Thomas said that several minutes before she applied for the apartment in San Francisco a white woman had been told there was a vacancy.

The jury of eight women and four men acted under provisions of the Unruh Civil Rights Act.

American Package Startles Airport

ROME (UPI)—When a package that had just arrived on a flight from New York began to tick, Fiumicino Airport officials called police, firemen and army bomb disposal experts.

They opened the package gingerly and found a battery-operated toy that somehow started itself.
